BACKGROUND: The Community Development Department received a petition from HSR Capital, LLC, requesting annexation of 11 properties totaling 53.39 acres into the City of Camas by the 60% petition annexation method (RCW 35A.14.120). The subject properties are located directly north of Camas High School, are bounded on three sides by Camas city limits, and are within the City’s Urban Growth Area.

SUMMARY: On January 6, 2023, the Community Development Department received a notice of intention to commence annexation proceedings from HSR Capital, LLC, pursuant to the 60% petition annexation method provided for by RCW 35A.14.120. The proposed annexation area consists of 11 individual properties (see Table 1) totaling 53.39 acres. HSR Capital is the owner of parcel no. 178140-000, a 26.52-acre property formerly owned by the Webberley family.

		Total	\$10,441,243	100%

Nine of the properties are developed with single-family residences and residential accessory structures. The remaining two properties, including the 26.52-acre HSR Capital property, are undeveloped. Camas High School is located immediately to the south.

The properties are currently in Clark County’s Single-family Residential (R1-6) zone with an Urban Holding (UH-10) overlay. The proposed annexation area is within Camas’ Urban Growth Area and is bounded on the north, south, and west by Camas’ city limits. The properties are within the newly created North Shore Subarea, and are located within four new comprehensive plan land use designations: North Shore Commercial, North Shore Multi-Family High, North Shore Single-Family

Low, and North Shore Open Space/Parks. If annexed, the properties would need to be rezoned to corresponding City zoning designations.

This is a meeting with the annexation petitioners required to be held within 60 days of the filing of a notice of intent. Per RCW 35A.14.120, the purpose of this meeting is for Council to determine:

1. Whether the City will accept, reject, or geographically modify the proposed annexation;
2. Whether it shall require the simultaneous adoption of a proposed zoning regulation, if such a proposal has been prepared and filed for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340; and
3. Whether it shall require the assumption of all or of any portion of existing city indebtedness by the area to be annexed.

If Council determines at that meeting to accept the proposed annexation (with or without modifications) the next step in the process is for the initiating party to collect signatures from property owners representing at least 60% of the assessed value of the area to be annexed. If a valid petition is submitted, then Council may hold a public hearing to consider the request.

Approval by Council is a condition precedent to circulation of the petition. There is no appeal from the City Council decision.

BENEFITS TO THE COMMUNITY: The proposed annexation would help implement the Camas 2035 Comprehensive Plan and North Shore Subarea Plan by bringing lands within the City's Urban Growth Area into Camas City Limits. The City would benefit from additional commercial, residential, and open space lands.

BUDGET IMPACT: The City will be responsible to provide services to the annexed area, however; additional property tax revenues would be anticipated if the properties are further developed. There are no capital facilities projects planned in the project boundaries, so public improvements in the annexed area would need to be built by the developer at their own cost.

RECOMMENDATION: Staff recommends Council:

1. Accept the petitioner's notice of intent to commence annexation proceedings;
2. Require the simultaneous adoption of a proposed zoning regulation consistent with the North Shore Subarea Plan; and
3. Require the assumption of all existing city indebtedness by the area to be annexed.
