Chris,

The overall response that I have received from the Georgia Pacific mill is that we would like to keep the 10 minute parking in front of our office. We have several vendors with large box trucks that unload there on a regular basis. Some of their loads are pretty heavy, making parking elsewhere (if those spots are taken) a significant handling problem for them. As such, we would prefer to keep things as they are.

Thanks,

Kirk Bristol

Sent by an external sender

Kirk,

Now that you are my contact, you'll get all my questions.

We received a request to modify the parking time restrictions of the spots right in front of the Mill's Visitor's Center. Spots are currently marked 10-min and proposed to be switched to 2-hours.

We'll present this proposal to Council May 14th. Would you please notify the right staff to provide comments, if any.

Thanks
