Chris,

Yes, we are requesting for the change in parking time due lack of space for customers to park for a reasonable amount of time. Those three spaces are always empty because of the time restriction or I am having to warn customers coming in to dine to move their vehicle due to the 10 minute time limit.

Katie,

It was also brought to our attention that you requested for the 10 min parking spots on the west side of Adams to be modified to 2 hrs. Is that correct? Would you mind expanding on this request. We will present the item to Council next month.

Thanks
