Hi Chris, I don't have any issues with those spaces going to 2 hours--as long as the mill gives approval :). I'm not sure what their loading needs are there at this point :).

Carrie,

Hope you are enjoying the beautiful day and springtime. I'm reaching out because we have received a request to change the (4) 10-min parking spaces west of Adams St into 2-hr parking. We'll be presenting

this to the Parking Advisory Committee May 14th. Are there any concerns or considerations you would like us to bring up to the Committee?

Please let me know if you have any questions.

Thanks!
