

CAMAS POLICE DEPARTMENT

MEMORANDUM

To: Civil Service Commission
From: Chief Tina Jones *TJ*
Date: September 22, 2026
Subject: **Request to Discard Entry Police Officer Eligibility List**

Our recent Police Officer Entry Level Conditional Hiring list, which was certified on August 12, 2026, has four individuals on it. Two individuals were disqualified during the command interview portion of the process. One of the remaining candidates was sent to background, then rescinded his application after receiving an offer from another agency. The other candidate was offered the opportunity to begin background and they withdrew. This leaves no eligible candidates on the list.

Civil Service Rule 8.04 describes how the list can be discarded for good cause. I am requesting the list be discarded based upon the circumstances described. Thank you for your consideration.
