Thoughtless location for the proposed Camas station commercial development !

Have you actually been to this street corner ? This location in not a main road and would greatly increase traffic on a small/narrow road that pass 3 schools!!! In addition, it is DIRECTLY across the street from Prune Hill elementary.

I would welcome a convenience in the area, how about along Brady Rd /Pacific Rim where there is LOT of space and available undeveloped land and / a main road with other commercial businesses and it leads to other areas - please consider this !!

I cannot imagine anyone thinking this is a good location other than maybe the current owners of that location who were put in a tough position previously by developers (the retirement home ..) Best of luck !
