Hi Carey,

Here is my feedback regarding the Land Use meeting on July 26, 2022:

I agree with all concerns regarding child safety, environmental concerns, and crime concerns. I keep hearing from the City of Camas that we need more housing. I propose more housing be put in because it is already a residential area. The housing cannot be as dense as apartments, due to traffic concerns.

Also, I was shocked at the rude and dismissive behavior of the Hearings Examiner. His tone of voice was hard and quick, as if trying to avoid listening to the constituents who were trying to speak. More than once he rudely asked people to summarize their comments. This is the chance for the residents of the community to speak their minds, and he seemed to try to bully people into shortening their comments. Due to his attitude, I had the clear impression that he did not want to hear commentary, and he was already supporting the Camas Station project. How disappointing for our community to have this person "listening" to our voices.

Sincerely,
 Susan McMullin
