I have 2 kids who attend prune hill. We are "walking distance" with walking/ driving my kids two and from school we have enough traffic at the Brady Rd 16th Ave. intersection. It is already very congested during school/work commute times as it's a main artery to Brady Rd/192nd. Our school crossing guard is a must at that intersection for all of our safety and I feel the area cannot handle more traffic than it already has. I also oppose a gas station right next to a school, not just my school prune hill. There are plenty of other areas ready for development that are less congested in camas for a gas station. Please consider one of those other areas away from a school.
