To whom it may concern,

We are current residents living near the proposed gas station development. We feel this is a horrible idea for the land and safety concern to the children who live in the area and go to school at Prune Hill Elementary. Kids ride their bike and walk to school everyday and there are tons of sporting practices that go on while school is not in session.

Please consider the safety of our children and do not build a gas station in this area.

Thank you,

Ly Pyka
