I am writing because I am unable to attend the town hall tonight. I am strongly opposed to placing a gas station/car wash off Brady road across from prune hill elementary. This area is heavily trafficked by children attending school at prune hill elementary. It is incredibly important to keep this area safe for the many children and families coming and going from the school. Increasing car travel on this already very busy road is a bad plan for our children and our community.

Sincerely,

Keri
