Subject: Strongly Oppose Camas Gas Station near Elementary School because it would be on children's walking route to and from school

The idea of putting a gas station on the corner of Brady and 16th street in Camas near Prune Hill Elementary is not a safe move for our community. This is already a very dangerous intersection with distracted and impatient drivers. As a teacher at Prune Hill, i know of many stories and close calls around this specific intersection. This area is high traffic for families, especially children walking to and from school. Adding a gas station would make this intersection even more unsafe and chaotic with the added activity. This would be a terrible mistake to allow this to be approved.

Thank you for your consideration,
Carmen Beuhl
