To all it may concern

I want to express my strong opposition to the Camas Station development.

Situating a gas station so close to an elementary school is totally unacceptable and a danger to the health and safety of our children. The increased traffic in that location will also pose a danger to the many families on their way to school. I regularly drive Brady Road and find it hard to believe that the City would consider such a large development in the middle of a residential area.

Thank you

Alison
