Hello, We live on NW 14th Ave directly kitty corner from the proposed gas station development. I have a soon to be kindergartner and soon to be 3rd grader who I walk to school on a daily basis.

There is already an enormous traffic and safety problem with the cars from school drop off/pick up and work commuters. The thought of the traffic increasing and staying consistent throughout the day is nothing short of terrifying. With such a high traffic business directly across from a grade school we worry that it's a recipe for disaster.

Please don't put a gas station in a place of children's safety!
