Hello,

I am writing to you today to object against the proposed location of Camas Station next to Prune Hill Elementary. My children will be in 1st and 3rd grade in fall of 2022 at PHE. We walk to school everyday it is not raining to help alleviate the already extreme traffic that happens at both pick up and drop off. Extra traffic to this area would be a major concern to the already congested flow at this times for cars and pedestrian traffic. In addition, this location would have a car wash that would cause noise pollution to the area and be an issue for children and teachers.

Thank you for your consideration.
