Hello,

I'm concerned that the Developer and the City are not following the North Shore Design Manual when designing the Village at North Shore Transportation Plan. The public worked hard on that plan. Don't ignore our wishes! While this looks like a cool development. Please make sure to keep bicyclists and pedestrians safe! Also, make sure North Shore Blvd doesn't turn into a high speed hwy. Do everything you can to keep speeds down! Speeds on city streets in Camas are outrageous as it is! It is quite concerning from a neighborhood standpoint. I enjoy riding bikes and walking along throughout Camas/Washougal, including along North Shore Blvd.

Thank you!
