RE: Annexation request for Nourse Road area, 10% petition

Mr. Maul,

On behalf of a group of contiguous property owners along Nourse Road (SE 15th Street) please find attached our 10% petition for annexation to the City of Camas.

- These 10 parcels are within the Camas Urban Growth Boundary (UGB) and would extend the City limits by a little more than 44 acres and representing a total assessed value close to \$8M.
- These properties are located generally east of Camas High School, north of Woodburn Elementary School, and west of SE 283rd Avenue.
- Eight of the 10 parcels proposed for annexation have signed this petition.
- The eight petitioners represent 79% of the assessed value and 80% of the acreage included in this request.
- Over the last 12 months or more, we have door knocked, met with, or spoken with at least an additional 10 property owners, and held a neighborhood informational meeting (05/29/2024) at Woodburn Elementary School to explain ourselves, answer questions, and understand the concerns and desires of our adjacent neighbors, outside the City limits.
- The attached "Annexation Area Outreach Exhibit" is a map that attempts to articulate our understanding of the desire to annex from our surrounding property owners. Every parcel has been given a color coded parcel number. Green indicates a signed petition request in favor of annexing. Red indicates an opposition to annexation. Black represents an uncertainty or non-responsive inquiry. After much thought and more conversations, we concluded the best first step would be a 10% petition for the 44 acres outlined in blue on the exhibit.
- Those opposed to annexation conveyed a range of disinterest from "No, I don't think so at this time..." to "Absolutely not. I do not want to be in the City." Some reasons given as to why they do not want to annex included concerns about being required to hook up to sewer and water, to having to stop using their well, to increased taxes, to limitations of how they use their property now, such as outdoor burns and shooting restrictions, to name a few.

In closing, I would like to express our thanks and appreciation to the City of Camas Planning staff for their time spent with us as we have embarked on this journey to officially become part of the City of Camas. Robert Maul and Alan Peters have been both generous and candid with their time, expertise, and feedback along the way. Leonard

If you have any questions or concerns with the information provided, please don't hesitate to reach out. We want to be transparent, open, and flexible as this request moves forward in the process.
