Implementation Policy Tiers

Benefit from our proven, systematic approach to implementing policies. Each tier represents about 20% of the manual and includes one-on-one collaborative assistance to help you review, customize and adopt the policies efficiently and effectively. Choose one or more tiers to jumpstart your new manual or combine all five for the quickest implementation.

Tier 1 – High-Risk Policies: Foundational policies necessary to provide structure and authority to your policy manual, as well as policies addressing high-risk, low-frequency and high-risk, high-frequency incidents.

Tier 2 – High-Liability Policies: Policies that relate to common day-to-day calls for service that have a higher level of potential liability.

Tier 3 – Daily Operations Policies: Policies needed for orderly daily operations of your organization.

Tier 4 – Defensibility Policies: Policies essential to agency and agency member defensibility, including civil liability-related topics.

Tier 5 – Operational Consistency Policies: Policies needed to ensure operational consistency across your organization.
