If the election is held prior to August 1st, then the RFA can collect taxes and/or the benefit charge the upcoming year. •In situations wherein taxes or the benefit charge cannot be collected, the RFA should contract back with the original participating cities to have them collect funds and distribute them to the RFA via a contractual agreement for the first year of the RFA. Thereafter, the RFA will collect revenues on its own.																									Planning Committee disbanded (or continues to review ILAs)

About

The instructions for each worksheet are in the A column starting in cell A1 of each worksheet. They are written with hidden text. Each step guides you through the information in that row. Each subsequent step continues in cell A2, A3, and so on, unless otherwise explicitly directed. For example, instruction text might say "continue to cell A6" for the next step.

This hidden text will not print.

To remove these instructions from the worksheet, simply delete column A.
