Hello,

Please accept this letter as formal notice that **Swofford Excavating** is withdrawing its bid for the above-referenced project.

After completing a thorough post-bid review, we discovered that our bid included a material error related to the pricing of the **Illuminated Rectangular Rapid Flashing Beacon (RRFB) system**. Specifically, the quantity and/or pricing used for this bid item was based on incorrect information, resulting in a substantial discrepancy that materially affects the total bid amount.

This error was unintentional and was not discovered until after our bid was submitted. Because the mistake significantly impacts our ability to perform the work as bid, we must respectfully withdraw our proposal.

We sincerely apologize for any inconvenience this may cause and appreciate your understanding. We value the opportunity to work with your organization and hope to be considered for future projects.

Thank you,

Debra Swofford
