Please describe your qualifications and interest in serving on this Board/Commission/Committee: *

I have a career span of over 30 years in finance & operations roles, including 3 years at the Chief Business Officer for the LGUSD, where government and fund accounting were used. I understand the Brown Act, doing business in a public landscape and the need for fiscal responsibility balancing the community needs with budgets. I was made aware of the need for qualified candidates and have the time and ability to serve.
