Dear City Councilmembers-

I would like to thank you for your support of Treasure Cove at Jade Street Park universally accessible playground. Shared Adventures, a non-profit which I founded and which offers experiences for people with disabilities in our community, is proud to be a donor to the successful \$1 million fundraising campaign for the playground.

I would like to thank your City Council for having the vision to provide the initial funding for the playground, and I encourage you to support the provision of the final funds necessary to make it happen. Once built, it will be enjoyed by children with disabilities, who will be able to play alongside their friends and neighbors.

Thank you for your consideration, and your vision!

Sincerely,

Foster Andersen
