City Council –

Keep Capitola quaint and STOP spending money on unnecessary things. How about spending money on improving downtown, waterfront, lowering the speed limit to 15 MPH from the top of Cliff Dr and all through the downtown and enforce it, improving the wharf, stairs to Depot Hill, stairs from Cliff Dr, shore up Cliff Dr.....all things that NEED money for a real need. There is not "log jam" need or concern.

Let the bikes share the road.

Cheers,
