Dear City Council members:

My wife and I have been long-time owners of the home at 103 Oakland Avenue. We are writing to encourage City Council to approve the funding of the relocation of the Grand Avenue pathway between Oakland Avenue and Central Avenue. We believe that the pathway is a very unique and beautiful amenity that serves not only our neighborhood but just as importantly the broader Capitola and Santa Cruz communities. While we understand that the pathway will continue to be impacted by Mother Nature, we feel the cost of its relocation is far outweighed by the community benefits it will continue to provide for many years to come.

Sincerely,

Keith & Linda Bloom
