Subject: Uphold 8.72 — Keep the Trail on the Rail

Dear Councilmembers,

Your first duty is to uphold Capitola law. I urge you to enforce Municipal Code 8.72 and keep the trail in the RTC corridor, not on city streets. The \$67 million in CTC funding is tied to this alignment. Capitola voters supported it — and we still do. Uphold the law, protect public land, and help us build the safe, funded trail we were promised.

I live in Aptos and will never ride the train. But I ride my bike to 41st Ave. We riders need a safe path to commute on. Please preserve the walking/biking trail as it was intended.

Sincerely,
Ann Whitlock
Aptos
