SUBJECT: FY 2025-26 Proposed and FY 2026-27 Planned Budget.

CITY MANAGER'S MESSAGE - STATE OF THE CITY

On behalf of City staff, I am pleased to submit the proposed budget for Fiscal Year (FY) 2025-26. Staff was tasked with developing a budget that continues to deliver the high-quality of services the community is accustomed to while also allocating available resources to City Council goals and strategic priorities. The result is a balanced budget that maintains the minimum target general fund balance of more than \$500,000. The proposed budget projects to end the year with a general fund balance of approximately \$753,000.

The fund balance in the General Fund is projected to remain positive for the next fiscal year, however, based on known increases related to CalPERS pension costs and current assumptions regarding inflation, the General Fund will become structurally imbalanced in FY 2027-28. With overwhelming voter approval, Measure Y became a new revenue stream in early 2025. The budget provides resources to maintain a high level of service for Capitola residents this coming fiscal year. Nevertheless, the City must also remain focused on the long-term budget picture, which not only includes a great deal of uncertainty around general fund revenues but must continue to address increasing pension costs. The erratic revenue data, uncertain economic stability at the national level, and projected rising pension costs will likely result in very challenging budgetary decisions for several years. In the coming fiscal year staff will continue to closely monitor general fund revenues, paying extra attention to sales and transient occupancy tax performance, and continue to report to the City Council on a regular basis. Additionally, staff will develop options for Council consideration to balance the near- and longer-term budgets as well as focus on the long-term structural budget issues.

Storm damages from 2023 and 2024 were categorized into fourteen projects of which FEMA and Cal OES have approved eleven for reimbursement totaling \$285,855 with the City is responsible for matching funds of \$7,600. To date, we have received \$272,355 with \$13,500 still outstanding.

The remaining projects awaiting approval and estimated damage amounts include:

- The Wharf - \$831,500 – deductible and additional costs currently under review by FEMA/Cal OES
- Noble Gulch/Soquel Park - \$269,000
- Hoopers Ramp - \$14,000 – seeking mitigation to make ramp more resilient, under review by Cal OES
- Grand Avenue Pathway – staff is currently assessing the costs of potential repairs.

Staff recommends the City hold off on allocating any additional FEMA/Cal OES reimbursement until those funds are received. One potential use for these funds is to replenish reserve funding used to respond to the recent series of emergency events.

The Capitola Mall remains a major funding source for the City, however long-term national and local trends have put significant pressure on existing brick-and-mortar retailers to remain competitive with internet options. The Mall was purchased in 2016 by Merlone Geier Partners, which also acquired the old Sears building in 2018. In FY 2019-20 the new owners initiated a public process, including a public meeting and regional survey of residents to begin evaluating options to redevelop the Mall.

City staff remains actively engaged with Mall ownership to help them navigate the development review processes, however, the pandemic put the project on pause. Obviously, the long-term fiscal health of the City is closely related to a successful Mall that meets the community's needs. As the outcome of any potential Mall redevelopment is unknown at this time, the site remains a major opportunity, and challenge, as the City evaluates its long-term fiscal position.

In 2016 voters passed Measure F to extend a temporary quarter percent local sales tax for an additional 10 years. The primary purpose of Measure F was to utilize the funding to protect City infrastructure from storms and rising sea levels. The City completed the key resiliency projects identified in Measure F, including rebuilding the wharf, flume and jetty earlier than anticipated. In response to early project completion, the City put Measure Y on the ballot in 2024 to repeal Measure F and replace it with a new half percent local sales tax for 10 years. Voters passed Measure Y with 67% approval. The City implemented salary adjustments for most of city staff in January as a result of this tax measure passing to maintain competitive salary ranges.

BUDGETARY GOALS AND PRINCIPLES

The FY 2025-26 General Fund budget was developed with an emphasis on financial stability and maintaining core programs and services for Capitola residents and visitors. As a first step in developing the Budget, the City Council adopted the 2025-2029 Strategic Plan. Budget highlights and proposed changes are presented in consideration of the six priorities included in the plan:

OTHER BUDGETARY HIGHLIGHTS AND PROPOSED CHANGES

While the budget was largely prepared to maintain core services and keep expenditures at the lowest level possible, there are several changes identified in this budget, which include one no-cost one organizational change.

Measure Q: Santa Cruz County Water and Wildlife Protection Initiative

In FY 2025-26, the City will begin to receive funds from Measure Q, voter-approved in 2024 at the County level. This parcel tax was placed on the ballot to raise money for land management, cleanup and conservation projects in forests, streams, beaches, and other open spaces. The money is split between various groups, a countywide grant program, and 20% of funding goes directly to the cities in Santa Cruz County. The City of Capitola will receive \$200,000 of Measure Q funds in FY 2025-26.

Staff proposes programming \$150,000 of Measure Q funds for two new Public Works crew members to maintain city parks and open space. The City's Public Works crew has remained at the same staffing level since before 2015, while the City has increased needs for park and city property maintenance year over year. Most significantly in FY 2025-26 the City will have an additional park, with the Park at Rispin Mansion opening to the public, plus an expected increase in use at the Jade Street Park complex due to the Community Center renovation and upcoming Treasure Cove Playground project, there is a need for additional staffing support.

Parking Pay Station Strategy and Transition to Digital Payments

In this budget cycle, staff proposes gradually reducing funding for the maintenance and repair of parking pay stations over the next several years, while increasing promotion and support for digital payment options.

Following internal analysis and consultation with the Business Improvement Area (BIA) leadership board, the Police Department recommends a shift away from heavy reliance on physical pay stations—particularly in high-risk, weather-prone areas such as along the Esplanade, where machines are frequently damaged by coastal conditions. As part of the FY 2025–26 work plan, the Department aims to continue upgrading payment interfaces to enhance customer service.

Staff has received positive feedback on the mobile parking payment application, which enables users to pay by phone regardless of a pay station's status or location.

The long-term goal is to retain a limited number of strategically placed pay stations, while expanding public education and outreach around digital options. Initial steps will include improved signage and instructions, as well as implementation of a new web-based payment platform.

The overall intent is to enhance the user experience, support parking revenue, and maintain visitor access to the Village—ensuring that technical issues with pay stations do not discourage visitation or payment compliance.

Countywide Radio Project

FY 2025-26 Budget proposes using general fund and restricted SLEF funding to fund the City's portion of the major countywide public safety radio upgrade project known as RING. The project will facilitate high-quality radio frequency across Santa Cruz County and increase interagency law enforcement collaboration. The project includes significant new radio infrastructure in the City, compliant with new DOJ standards. The County, which is leading this effort, plans to enter into a contract with all the public safety organizations in the County and a vendor this fall. While final

costs to the City have not yet been established, staff anticipates the cost will be roughly \$45,000 a year for the next 10-years.

Measure S

Measure S is a special tax on all developed property within the Santa Cruz Public Libraries District boundary (all of Santa Cruz County except the City of Watsonville); it was approved by voters in 2016 for a 30-year period. Tax funds are restricted to repair, upgrade, and modernize the local library facilities. The Santa Cruz Libraries Financing Authority Community Facilities District was formed for the purpose of levying the special tax to each of the four members: Cities of Capitola, Santa Cruz, and Scotts Valley and the County of Santa Cruz.

The City of Capitola completed the \$16.5 million Capitola Branch library in 2022 using \$10,476,529 in Measure S funding, funds from the County Library Fund, former Redevelopment Agency Funds, and \$856,000 in City general fund.

Recent projections indicate that Measure S will generate more revenue than initially anticipated, with the City expected to receive approximately \$165,000 annually for eligible library expenditures. The FY 2025–26 Budget proposes allocating this amount to the General Fund to begin repaying the \$856,000 previously advanced for the construction of the Capitola Library.

Administrative Services Department

Staff proposes to reorganize the Finance Department into the Administrative Services Department, consolidating the Human Resources (HR) and Information Technology (IT) Divisions, currently within the City Manager Department, with Finance. Finance and HR are currently automating and digitizing internal processes; this reorganization will improve the communication and operational efficiency as these changes are implemented.

The City is anticipating the retirement of the current IT Specialist during FY2025-26. The IT Specialist, Assistant to the City Manager, and Finance Director have begun transition planning, which may include shifting IT to a contracted service, rather than a regular staff position. The reorganization will allow the IT Specialist and Finance to work closely to ensure a smooth transition.

With this new structure, the City Manager remains the Personnel Officer, with the ability to designate these duties to other staff as needed. The City Manager Department maintains the Assistant to the City Manager position, now allocated to the department at 100% FTE, rather than 50%, to meet the city's expanding public outreach and community engagement needs while also managing special projects and contracts, such as the Annexation Feasibility Study, and supporting the City Manager and all Departments.

No salary adjustments or additional costs are proposed as part of this reorganization.

Youth Funding and Business Group Funding

With the passage of Measure J in 2018, Capitola became one of the first cities in the state to establish a children's fund that is supported by a dedicated tax measure. Transient Occupancy Tax (TOT) revenues continue to perform well, and the proposed budget includes an allocation of \$65,000 from the children's fund to support early childhood and youth programming. The budget also includes approximately \$74,000 of funding for the Chamber of Commerce and the Village Business Improvement District, also using the restricted Measure J funding.

General Fund Balance

The general fund balance is estimated to end FY 2024-25 above the minimum target of \$500,000. However, both the Contingency and Emergency reserves are projected to be below their target balance amounts. The FY 2025-26 Proposed Budget returns the general fund to the \$500,000 target balance while maintaining \$100,000 for the employee downpayment assistance program.

Current revenue and expenditure projections show revenues not keeping pace with expenditures, requiring usage of Measure Y revenues to structurally balance the budget in the 5-year forecast. Staff will continue to closely monitor revenues, expenditures, and fund balance throughout FY 2025-26 and will report to the Council during the mid-year budget report.

PRIOR YEAR ACCOMPLISHMENTS

In FY 2024-25 the City completed several significant projects, which provided residents and visitors with increased recreational and public art opportunities, while continuing to strengthen public safety and community development activities. Some of the City's accomplishments include:

- Opened Capitola Wharf to the public.
- Awarded CDBG Grant of \$3.3 million for renovation of the Jade Street Community Center and began construction on Community Center Renovation.
- Completed pump track renovation.
- Increase public outreach efforts with social media platforms and bi-monthly digital newsletter, plus in-person tabling event during the last Twilight Concert of the 2024 summer season.
- Bid and awarded the FY 2024–25 Pavement Management Program contract during the dry season; construction begins June 2025 and continues through summer.
- Internally promoted Chief of Police, Sarah Ryan.
- Negotiated new leases with Capitola Boat and Bait and Capitola Beach Company for continued service for the community.
- Established temporary Wharf facilities for fishing.
- Entered a no-cost lease with School District to temporarily house the Community Services and Recreation Department during Community Center renovation.
- Completed the Strategic Plan 2025-2029; adopted new Mission, Vision, and Values.
- Implemented online applications & payments for business licenses.
- Completed banking service provider change.
- Updated the PD locker room and bathrooms to improve safety and employee retention.
- Implemented Electronic Citations for patrol personnel.
- Researched upgrade options for infrastructure, to include possible new antenna site and develop short-term plan pending larger County-wide radio project.
- Shifted department forms and internal processes to a digital platform for increased efficiency.
- Completed Upper Parking Lot Sidewalk Project.
- Installed Wharf signage.
- Finalized the design of Treasure Cove Playground and partnered with Friends of Santa Cruz County Parks to successfully raise over \$1,000,000 in funding for the project.
- Substantially completed the Park at Rispin Mansion.
- Certification of the 6th Cycle Housing Element by State of California Department of Housing and Community Development.

- Issued \$1.6 million loan to MidPen Housing for the future development of a 52-unit, 100% affordable housing development at 1098 38th Avenue.
- Established a housing rehabilitation program with Habitat for Humanity for 16 households.
- Hosted two food truck events on Capitola Wharf to celebrate the Wharf reopening and assess future programming opportunities.
- Implemented a Park Space Reservation Permit system, enabling small groups to reserve space for events like birthday parties in City Parks.
- Integrated Art & Cultural events into the Community Services and Recreation Department to streamline event implementation.
- Continuation of 2024 annual exhibition “Little City Under Canvas” – The 150th Anniversary of Camp Capitola and permanent Capitola Timeline, Martina Castro Lodge and First People of Capitola exhibits until December 2024.

CONCLUSION

The development of the annual budget takes a great amount of staff time and effort and must be completed in a compressed timeline. I sincerely appreciate all the department directors and departmental budget liaisons for their contributions. Special recognition is extended to the Finance Department for its efforts in coordinating the budget process and preparing the annual budget document.

As the new fiscal year approaches, I wish to express my thanks and appreciation to the Mayor, and members of the City Council for their leadership and support in planning and conducting the financial operations of the City in a responsible and progressive manner. I know that with continued citizen participation, City Council leadership, and ongoing efforts of dedicated employees, Capitola will continue to be a great place to live, work, and enjoy.

SUMMARY INFORMATION

Budget Process Overview

Each year the City of Capitola prepares an Operating Budget, a Successor Agency Budget, and a five-year Capital Improvement Program (CIP) budget. The Operating Budget contains the summary and detail information for revenue and expenditure appropriations for the fiscal year (beginning July 1st and ending June 30th) for several funds as well as a projection for the second fiscal year. The information from the CIP is incorporated, in summary form, in the City's annual budget. The Successor Agency budget is included in its entirety in the City's annual budget.

Capitola municipal code (3.200.010 E.) defines a balanced budget as one in which "financing uses including expenditures, inter-fund transfers out, reserves and contingencies should equal financing sources including beginning available fund balance, revenues and inter-fund transfers in." A key concept in the developmental process for the General Fund Budget revolves around City fiscal policy that current year expenditures are balanced with current year revenue.

The City's budget process continues throughout the year, with quarterly financial updates published on the Finance Department website and at weekly department head meetings with the City Manager. An outline of the on-going budget process is listed below:

Financial Policies

Basis of Accounting

The City's operating budget consists of governmental funds that include the General Fund, Special Revenue Funds, Internal Service Funds, Debt Service Funds and Capital Project Funds for both the City and the Successor Agency. Governmental fund types and agency fund budgets are developed using the modified accrual basis of accounting. This method is consistent with the presentation of the City's Annual Financial Statements. Under this basis, revenues are estimated for the fiscal year under the condition that they are identifiable and will be collected within sixty (60) days, and sales tax within ninety (90) days, of the close of the fiscal year. Principal and interest on general long-term debt are budgeted as expenditures when due, whereas other expenditures are budgeted for liabilities expected to be incurred during the current period or shortly thereafter.

Level of Budget Control

Both the City and the Successor Agency appropriate (control) the budget at the Budget Unit level. The Budget Unit level is defined as "department, fund, or other organizational unit whose financial activities are accounted for separately."

Expenditures for the General Fund are considered a Budget Unit at the Department level, with Community Grants controlled at the grantee level. The Successor Agency are considered Budget Units to be at the category level as defined in the budget document.

Budget Adjustments

After the budget is adopted, any supplemental appropriations of fund balance, or budget transfers over \$25,000 within a Budget Unit will require Council approval. Budget adjustments that are less than \$25,000 and within the same Budget Unit may be approved by the City Manager.

All requests for budget adjustments will include an explanation for the change along with a discussion of fiscal impact. This information will also be documented on a Budget Adjustment Form, which will be reviewed by the Finance Department for fiscal impact, correct account coding, and policy consistency prior to receiving City Council or City Manager approval.

Financial Committees and Boards

The following committees and boards assist the City in the budget review and development process:

Finance Advisory Committee

The Finance Advisory Committee (FAC) works closely with the Finance Director/Treasurer to make recommendations on financial projections or policies identified by the City Council or City Manager. The Committee consists of four Council-appointed members, the Mayor, and a Council Member. The FAC meets several times throughout the year and operates in an advisory capacity with the overall fiscal well-being of the City serving as its guiding principle.

General Fund Summary

The General Fund balance remained steady during FY 2024-25. The projected General Fund FY 2024-25 ending budgetary fund balance totals \$688,590. The FY 2025-26 Proposed Budget maintains the General Fund balance at the minimum target of \$500,000 while maintaining \$100,000 for the employee downpayment assistance program.

The chart below summarizes projected and historical General Fund revenues, expenditures, and fund balances. The table illustrates the effects the improving local economy has had on general fund revenue. Revenue variances primarily include an increase in sales and property tax revenues.

An overview of district taxes (Measure O and F), reserves, and internal service funds are provided within this summary section.

Emergency, PERS Contingency and Contingency Reserves

In 2000 the City adopted Financial Management policies, establishing a fifteen percent Contingency and a ten percent Emergency Reserve Fund. The Contingency Reserve provides a prudent level of financial resources to protect against temporary revenue shortfalls or unanticipated operating costs, and/or to meet short-term cash flow requirements. The Emergency Reserve protects against significant one-time costs, which might arise from major unpredictable emergency events.

As the 2011 pipe failure demonstrated, a sufficient Emergency Reserve Fund is needed to respond quickly to local disasters, as well as sustain low debt ratios. Due to the City's location in an active geologic region, adjacency to the ocean, and proximity to a major creek and highway, the City chose to also increase the Emergency Reserve funding level to ten percent of operating expenditures. In FY 15/16 the City implemented a PERS Contingency Reserve Fund to ensure future funding availability for potential CalPERS contribution increases.

The City was able to navigate the fiscal impacts associated with the COVID-19 Pandemic without utilizing reserve funds, however, the atmospheric river storms on Jan. 5, 2023, caused the City to utilize funds from the Emergency Reserve to make emergency repairs. Additionally, as the City continues to make storm damage repairs the general fund balance has been drawn down and therefore the FY 2025-26 Adopted Budget does not include any general fund transfers into the reserves. As storm damage repair costs are reimbursed through FEMA and Cal OES the City anticipates returning reserves to minimum target balances.

OPEB and PERS Trust Funds

The City has been proactive in planning for future liabilities. The City has established two trust funds for future retirement costs. The two trust funds are the OPEB (Other Post-Employment Benefits) Trust Fund, which is used for retiree health premiums, and the PERS Trust Fund, which is used for future PERS retirement costs.

General Fund Resources

General Fund resources include reserve funds (Emergency, Contingency, PERS Contingency, Facilities) and Internal Service Funds designated for funding equipment purchases, risk management, workers' compensation, and compensated absences. The reserve funds have specific purposes and require a vote of the Council to expend.

GENERAL FUND REVENUES

General Fund Revenues

Revenues for the FY 2025-26 General Fund operating budget total \$21.1 million, an increase of approximately \$1.6 million or 8.1 percent above FY 2024-25 estimated revenue. Property tax revenues remain strong as assessed values (basis for property tax levies) continue to increase with changes in ownership and an additional 2% CPI increase per Prop 13 provisions. Staff anticipates sales tax revenue to increase around 10.5% over FY 2024-25 with 9.5% of that growth attributed to Measure Y and 1% market increase as the economy shows signs of slowing. Transient occupancy tax is expected to remain flat.

A summary of major revenue changes between the FY 2024-25 proposed and FY 2025-26 proposed budgets is listed below:

General Revenue Information

The City does not receive General Fund revenues in equal monthly increments. While the City receives some revenue regularly throughout the fiscal year, some is received quarterly or annually. The variable nature of these revenues results in an uneven cash flow. For example, the City of Capitola's lowest cash balances occur in April and again in mid-December prior to property tax revenue being received. The City developed a cash flow model to assist with on-going cash flow variability and to identify reserve requirements. While monitoring the City's cash flow has always been a priority, the need to identify patterns became more critical during the disaster recovery period when reserves were nearly depleted. In FY 2012-13 the City approved increasing the Contingency Reserve balance from 10 percent to 15 percent to assist in covering potential cash flow deficits.

Projections for each source of revenue include a review of historical trends, the local economy, new business development, and pending legislation. Due to significant changes, the City is closely monitoring the following five core revenues, which represent over 80 percent of the General Fund:

• Sales Tax	\$9,715,877
• Transient Occupancy Tax	2,222,000
• Parking Meters	1,166,000
• Parking Fines	600,000
• Property Taxes	<u>3,441,000</u>
	\$17,144,877

Additional information related to the five core revenues is detailed within this section. In addition, five-year trends for each revenue source are provided in the Revenue Summary.

Sales Tax

The City of Capitola sales tax consists of one percent Bradley Burns, a half percent Capitola District Tax (Measure Y), and a permanent quarter percent Capitola District Tax (Measure O). In FY 2025-26 annual sales tax revenue is estimated to be \$9.7 million, with approximately \$3.4 million in revenues contributed by Measure O, and Measure Y.

Sales tax by Geographic Area	
Area	% of Total
41st Ave. Corridor	82.6%
Capitola Village	7.4%
Upper Village	7.5%
Light Industrial Distr.	2.5%
	<u>100.0%</u>

The Finance Department works closely with HdL, the City's sales tax consultant, on tax recovery, statistics, and projections. Sales tax projections are based on a combination of "most likely" estimates provided by HdL, internal quarter over quarter analyses, and the impact of one-time events. In FY 2025-26, Bradley Burns sales tax revenue is anticipated to increase by approximately 10.5 percent, or \$930,200 above the FY 2024-25 estimated sales tax receipts. The City's sales tax collections are heavily dependent on the top five generators.

The chart below illustrates sales tax performance including the sunset of Measure D and start of Measure F.

Transient Occupancy Taxes (TOT)

Hotel tax, also known as the Transient Occupancy Tax (TOT), charges rental accommodation of less than 30 days a 12 percent tax of which 0.75% is restricted for local business groups and early childhood and youth programs. In FY 2024-25 TOT tax generally accounts for approximately 13% of General Fund operating revenues. The City's TOT revenues come from the following sources:

- Hotels, Motels and Inns
- Other Rentals
 - Bed and Breakfasts
 - Vacation Rentals

TOT revenues are anticipated to remain flat during FY 2025-26. For the last several years, hotels have experienced high occupancy rates leaving little room for increased TOT revenues. As the industry slows down little revenues are expected to continue to grow slightly as has been the case for the last couple of years.

The following chart illustrates TOT revenues within the City. Due to Capitola's seaside location, proximity to regional attractions, and continued signs of economic recovery, the City is continuing efforts to attract another hotel to the area.

Parking Meters and Parking Fines

In FY 2025-26 parking meter and parking fine revenues are estimated to contribute approximately \$1.8 million to the General Fund. Revenue sources include fees collected from the meters and fines resulting from expired meters and improper parking. Factors affecting these revenues include tourism and seasonal trends. During the summer, the City offers shuttle bus service from the parking lots to the Village, beach, and Capitola Wharf. Projected revenues for each location are estimated below:

Location	Spaces	FY 25/26 Proposed	Avg. Meter Rev. per Space
Village	191	\$ 766,000	\$ 4,010
Cliff Drive	65	\$ 162,500	\$ 2,500
Pacific Cove - Upper Lot	232	\$ 175,000	\$ 754
Pacific Cove - Lower Lot	226	\$ 62,500	\$ 277

The following chart illustrates parking meter revenue and parking citation revenue trends within the City. Overall, the revenue trend reflects the previously mentioned parking meter rate increase while showing citation revenue remaining flat. In FY 2015/16 the City implemented 3-hour parking in the Village. The change has had a positive impact on meter revenue while decreasing citations.

Property Taxes

Property Taxes, an Ad Valorem Tax imposed on real property and tangible personal property, are levied at one percent of the assessed value of the property. The City receives 7.47 percent of each one percent, or 75 cents per \$1,000 of assessed property value.

In FY 2025-26 property tax revenue is estimated to be \$3.4 million, representing a five percent increase over the estimated collection amount from FY 2024-25. The City's collections are slightly higher than the information from the County Auditor-Controller's Office due to the increased cost of housing and a robust housing market.

In the FY 2025-26 proposed budget, base property tax revenues are projected to increase approximately five percent. The City based the projection on information from the Auditor-Controller's Office, historical trends, and a review of the current housing market. A growth factor of six percent of the assessed property valuation was used to estimate FY 2025-26 property tax revenue.

Property taxes are received based on the following distribution schedule:

- December: 50%
- April: 45%
- June: 5%

Property Taxes in-lieu-of Vehicle License Fees

Property Tax in-lieu-of Vehicle License Fee revenue has increased an average of six percent per year over the last several years. This increase continues to be consistent with the rising property values outlined by the Auditor-Controller's Office. Due to the relatively flat history associated with these revenues, conservative estimates of four percent have been applied to the upcoming fiscal years.

GENERAL FUND EXPENDITURES

General Fund Expenditures

The total FY 2025-26 General Fund expenditure budget proposes an increase of approximately \$1.6 million from the FY 2024-25 Amended Budget as existing resources are programmed towards City Council Goals. Increases have been programed in most major categories as inflation continues to impact City expenditures. Key differences between the two fiscal years include:

- Total personnel costs (salary and benefits) are estimated to increase \$1.3 million from the FY 2024-25 Amended Budget due to significant increases in the annual Cal PERS Unfunded Actuarial Liability payment, cost of living adjustments, increased employee health care contributions, scheduled step increases, and salary market adjustments negotiated in 2024.
 - Salary costs are estimated to be \$361,000 higher as a result of labor negotiations.
 - Salary – Seasonal/Temp increased \$29,800 as summer recreations programs remain at full capacity.
 - Overtime is anticipated to decrease \$97,000 primarily in the Police. This past year was higher than normal due to several felony crime investigations and winter storms.
 - Specialty Pay – increased \$120,000 in part due to more bilingual employees serving the public as well as a result of labor negotiations in the prior year.
 - Benefits – increased \$746,000 as a result of labor negotiations between the City and labor bargaining units.
- Contract services are slightly above the prior year.

The following chart provides an overview of expenditures for FY 2022-23 to FY 2026-27. A complete description of major changes will follow in the related expenditure detail pages.

The following chart provides an overview of expenditure trends, excluding transfers. Expenditures are trending down as we complete several City Council goals utilizing one-time funding.

A chart displaying the percentage of expenditures by category is also provided for reference. Personnel costs are estimated to increase \$1.3 million from the prior fiscal year causing the ratio of personnel services to total expenditures to increase from 67.5 percent to 69.2 percent. Other notable changes were in contract services, which decreased from 18.6 percent to 17.5 percent.

SALARIES & BENEFITS

All positions listed in the General Fund are fully funded with full benefit costing. Fully benefited positions are budgeted at their current step plus an assumption that they will move to the next step unless they are already at the top step of their classification. Specialty pays are budgeted as a separate line item.

Positions budgeted for in FY 2025-26 include the addition of two maintenance workers in the public works department and the reorganization of the City Manager and Finance Departments.

The table below summarizes the total FTE count by department, and the following page provides a detailed summary of the staffing budget changes.

General Fund Expenditures

SALARIES & BENEFITS

City services are primarily staff delivered; therefore, staffing is the most significant expenditure. The FY 2025-26 proposed budget estimated staffing costs total \$14.4 million. This represents an 11% increase from the prior year's amended budget. This is primarily due to significant increases in the Cal PERS Unfunded Actuarial Liability annual payment, estimated cost of living adjustments, scheduled step increases, and a reorganization of the recreation division.

Salaries & Benefits – Retirement Assumptions

Benefits – Post Retirement Medical Benefit

The City of Capitola contributes the minimum amount toward retired employees' health insurance premiums in accordance with Government Code Section 22892 of the Public Employees' Medical and Hospital Care Act (PEMHCA). This expenditure is accounted for in the City Manager's personnel department budget. Below is a table showing the PEMHCA minimum over the last 10 years.

• January 1, 2016	\$125
• January 1, 2017	\$128
• January 1, 2018	\$133
• January 1, 2019	\$136
• January 1, 2020	\$139
• January 1, 2021	\$143
• January 1, 2022	\$149
• January 1, 2023	\$151
• January 1, 2024	\$157
• January 1, 2025	\$158

Benefits – Public Employee Retirement System (PERS)

The City offers various defined benefit retirement plans to safety and miscellaneous employees. These retirement plans are administered by the California Public Employee Retirement System ("CalPERS" or "PERS"). The safety plan benefit formula is 3% @ 50, and the miscellaneous plan is 2.5% @ 55 for "classic" PERS members. For employees hired after January 1, 2013, who are subject to the Public Employees' Pension Reform Act (PEPRA), the safety benefit formula is 2.7% @ 57, and the miscellaneous plan is 2% @ 62. A CalPERS member becomes eligible for retirement benefits upon reaching the age of 50 with at least 5 years of service credit (total service across all CalPERS employers).

The City's retirement costs are defined as a percentage of payroll, along with a fixed dollar amount to address the City's Unfunded Actuarial Liability (UAL), which is actuarially determined annually by CalPERS. The UAL in FY 2024-25 was \$2,552,124 and is increasing to \$2,895,386 (13.5%) in FY 2026-27. The most recent CalPERS actuarial reports estimate the UAL through FY 2030-31 at an amount of \$3,789,000 which equates to an increase of approximately 176% over ten years from FY 2020-21.

PERS Rates. The FY 2025-26 PERS total rate for classic safety members is 36.3%, with employees paying 15% and the city 21.3%. Safety PEPRA members are responsible for 13.75% and the city pays 13.76%. For classic miscellaneous members, the total contribution rate is 22.1%, with employees paying 13.4% and the city 8.7%. Miscellaneous PEPRA employees pay 7.75% and the city pays 7.87%.

The FY 2024-25 PERS total rate for classic safety members was 36.1%, with employees paying 15% and the city 21.1%. Safety PEPRA members are responsible for 13.0% and the city pays 14.25%. For classic miscellaneous members, the total contribution rate was 20.0%, with employees paying 13.4% and the city 8.6%. Miscellaneous PEPRA employees pay 6.75% and the city pays 8.7%.

Public Employees' Pension Reform Act (PEPRA). On September 12, 2012, Governor Brown signed the California Public Employees' Pension Reform Act of 2013 (PEPRA) into law. PEPRA became effective on January 1, 2013, and requires all employees who are not previously members of the PERS reciprocal system to be placed in an alternate retirement plan. The City's PEPRA plan for Safety employees is 2.7% at 57 and 2% at 62 for Miscellaneous employees. This new plan requires that the

City and plan members contribute an equivalent share of retirement costs. The rates for public safety and miscellaneous employees are 13.75% and 7.75%, respectively.

Community Based Social Service Providers

Community Based Social Service Providers are funded by the General Fund and restricted Transient Occupancy Tax (TOT) revenue. Each year a determination is made regarding funds available and allocation. Due to COVID-19 the Community Grant program continues to be funded in FY 2025-26 with a combination of general fund, restricted TOT, and federal grants. The table below shows the general fund and restricted TOT funding while the federal grant funding is highlighted in the Community Development Block Grant Special Revenue funds.

INTERNAL SERVICES

Internal Service Funds finance special activities and services performed by one City department for another on a cost and reimbursement basis. These funds share costs, designate targeted reserves levels, and allocate costs to all departments benefiting from the activities and services. The methodology for cost allocation for each Internal Service Fund is described in the Internal Service Fund section.

The FY 2025-26 proposed budget provides funding for increased insurance premiums as well as equipment purchases for equipment funded in prior years.

DEPARTMENTAL BUDGETS

CITY COUNCIL

GENERAL GOVERNMENT

DEPARTMENT PURPOSE

The City Council is composed of five generally elected Council Members, serving four-year staggered terms. Council members select a Mayor and Vice Mayor annually. In 2002, the voters approved a consecutive term limit of two terms for Council Members. The City's Municipal elections are held the first Tuesday of November in even-numbered years. The Council meets regularly twice monthly, on the second and fourth Thursday.

The City Council establishes local law, sets policy, approves programs, allocates funds, and provides direction to the City Manager and staff to implement its policy. Council also appoints members to local and regional committees, commissions, and boards. Capitola is a General Law City, organized under the general laws of the state. Local laws are established by ordinance, compiled in the Municipal Code, and enforceable by the City. Other directives and policies of the City Council are implemented through Council Resolutions and recorded in Council Minutes.

ESTABLISHED PRINCIPLES OF THE CITY

- **Fiscal Policy** – practice sound financial management
- **Public Service** – uphold the public trust.
- **Public Improvement** – maintain a safe and healthy environment.

FISCAL YEAR ACCOMPLISHMENTS – 2024/25

- Balanced budget while using resources for public improvements
- Provided services, staff, and equipment to ensure public safety and trust
- Approved projects and programs to maintain and enhance the quality of life in Capitola

FISCAL YEAR GOALS - 2025/26

- Provide services, staff, and equipment to ensure public safety and trust
- Develop projects and programs to maintain and enhance the quality of life in Capitola
- Finalize plans and begin construction for Treasure Cove at Jade Street Park
- Collect public input and determine path forward for Capitola Wharf Master Plan
- Review and update, if necessary, the City Council Code of Conduct

CITY ATTORNEY

GENERAL GOVERNMENT

DEPARTMENT PURPOSE

The City Attorney represents the City as primary Counsel in all legal matters. The City Attorney is appointed by the City Council. The City Attorney provides legal analysis and advice on interpretation and application of municipal code, State law, and Federal law, drafting legal documents, and labor-related issues. CITY MANAGER

GENERAL GOVERNMENT

MISSION STATEMENT

The mission of the City Manager's Office is to ensure that all City programs and services are provided effectively and efficiently.

DEPARTMENT PURPOSE

The City of Capitola is a Council-Manager form of government, under which the City Council appoints a City Manager who serves as the City's chief administrative officer and is responsible for implementing Council policies. The purpose of this department is to implement the policies of the City Council and provide leadership and direction to the city departments. Core services of the City Manager's Office are administrative direction and leadership for City departments, programs, and services to ensure the community receives a high level of service.

KEY CHANGES

The City Manager Department internally promoted the former Office Coordinator to the Deputy City Clerk position and hired a new Office Coordinator.

The FY2025/26 Budget includes a proposed organizational change, shifting Human Resources and Information Systems from the City Manager Department into the newly titled Administrative Services Department, along with Finance services (formerly the Finance Department). With this new structure, the City Manager remains the Personnel Officer, with the ability to designate these duties to other staff as needed. The City Manager Department will keep the Assistant to the City Manager position, now allocated to the department 100% rather than 50% with 50% Personnel, to support expanding public outreach and community engagement efforts, managing special projects and contracts, such as the Annexation Feasibility Study, and providing support to the City Manager and all City departments.

FISCAL YEAR 2024/25 ACCOMPLISHMENTS

- Capitola Wharf opened to the public
- Shifted department forms and internal processes to a digital platform for increased efficiency
- Increase public outreach efforts with social media platforms and bi-monthly digital newsletter, plus in-person tabling event during the last Twilight Concert of the 2024 summer season
- Internally promoted Chief of Police, Sarah Ryan
- Negotiated new leases with Capitola Boat and Bait and Capitola Beach Company for continued service for the community.
- Completed the Strategic Plan 2025-2029; adopted new Mission, Vision, and Values

FISCAL YEAR GOALS – 2025/26 Based on the Adopted Strategic Plan's Six Priorities

Accountable Government:

- Encourage and improve citizen participation and communication by increasing the availability of Spanish language city resources; update and improve the City website.
- Continue efforts to increase transparency, with the website, public records, and outreach.
- Continue to improve public meeting access.
- Conduct additional educational opportunities for the public to learn about Capitola's government. Staff plans to host an informational tabletop event during a Summer 2025 Twilight Concert and gauge public interest for additional educational opportunities. The City Manager Department plans to host a formal Local Government Academy in early 2026.

Attainable Housing:

- Support the Community Development Department in implementing the Housing Element

Community Safety

- Continue to support Capitola Police Department's collaboration with partner agencies, residents, business owners, and community members.

Economic Opportunity

- Pursue city wide economic development opportunities and work with Capitola Mall to improve the mall facility and develop economic opportunities for Capitola and the greater community.
- Support economic development.
- Ensure programs are in place to respond to public and private development projects.

Healthy Families, Community, and Environment

- Use restricted Early Childhood and Youth Programming (ECYP) funding for youth
- Administer Community Grant program for the next three-year budget cycle

Sustainable Infrastructure

- Open Rispin Park to the public.
- Continue increased street and facility maintenance through use of Measure D resources.

PUBLIC WORKS SUMMARY

PUBLIC WORKS

MISSION STATEMENT

The Capitola Department of Public Works, through our valued employees, develops, maintains, and operates the City's infrastructure and natural resources and provides environmental stewardship for the benefit of our residents, businesses, and visitors.

DEPARTMENT PURPOSE

Public Works stewards Capitola's public infrastructure. We are dedicated to providing safe, functional and sustainable systems improving the quality of life for the residents, businesses and visitors of the City of Capitola in a responsive and cost-effective manner and in accordance with local, state and federal regulations.

To provide this stewardship, the department has three divisions.

The *Maintenance* Division is responsible for the day-to-day operations, maintenance, and repair of the public infrastructure and facilities including streets and medians, streetlights and traffic signals, street trees, sidewalks and pathways, parks, public buildings, and maintains the City's fleet of vehicles and equipment.

The *Engineering* Division designs and oversees the construction of all capital improvement projects for the City's public infrastructure systems and public buildings/facilities; prepares technical studies/reports; regulates construction activities within the public right-of-way by private entities and utility companies; and maintains infrastructure records. The Engineering Division also works closely with the Community Development Department and Building Division to perform plan review and inspection services of tract/parcel maps for subdivisions and grading and drainage improvements on private property; provides technical support to the Public Works Maintenance Division.

The *Environmental* Division provides environmental support services to Public Works and other City Departments to ensure compliance with federal, state, and local environmental laws, regulations, and policies. The Environmental Division also manages the City's Storm Water Management Program and Solid Waste Franchise Agreement which includes industrial, construction, and municipal activities and operations within the City; staffs the Commission on the Environment.

COMMUNITY SERVICES AND RECREATION

CULTURE & LEISURE

MISSION

The City of Capitola Community Services and Recreation Department is dedicated to providing safe, affordable, and enjoyable recreational opportunities that enrich the quality of life for residents and visitors of all backgrounds and abilities. Committed to excellence and public safety, the Department continuously strives to enhance its programs, services, and operations to best serve the evolving needs and interests of the community.

DEPARTMENT PURPOSE

The Community Services and Recreation Department enhances the quality of life for Capitola residents and the broader community by offering a wide range of recreation and leisure services. These include City-run programs such as Junior Lifeguards, Camp Capitola, and community events, as well as over 500 classes provided by contracted instructors. Youth programs serve more than 2,000 children annually. The Department also manages key community assets, including the Capitola Community Center, Jade Street Park, and Monterey Park. From Memorial Day weekend through the end of October, the Department operates a USLA-certified Lifeguard Division to ensure the safety of beachgoers at Capitola Beach. The Department represents the City through its staff, instructors, seasonal hires, and the condition of its facilities. It also fosters youth development through job training programs like the Junior Lifeguard Captains Corps and Camp Capitola Junior Leader Program and promotes access through scholarships for under-resourced youth.

KEY CHANGES

With the Community Center remodel project underway, the Community Services and Recreation Department has temporarily relocated to the back classrooms in the Opal Cliff School at Jade St Park.

FISCAL YEAR ACCOMPLISHMENTS – 2024/25

- Provided Lifeguard services to event organizers and maintained tower services at Capitola Beach through the end of October.
- Sustained a robust schedule of Classes for Adults and Youth with minimal disruption during Community Center remodel.
- Hosted two Wharf Food Truck events to celebrate the Wharf reopening and assess future programming opportunities.
- Implemented a Park Space Reservation Permit system enabling small groups to reserve space for events like birthday parties in City Parks
- Integrated Art & Cultural events into the Department to streamline event implementation.
- Coordinated a County wide public advertising for July IS Park & Rec Month Campaign

FISCAL YEAR GOALS –2025/26

- Continue programming the Wharf with fun, family friendly activities by hosting a new “Boogie on the Wharf” dance event series.
- Modify Camp Capitola in response to the Community Center remodel while maintaining the program’s high quality at the temporary location.
- Provide a new vision of the former “Art at the Beach” event series, now “Makers Market”, to draw visitors and residents.
- Introduce two new music events: “New Music Sundays” featuring local youth bands, and “Dueling Pianos” offering a fresh and interactive community opportunity.
- Enhance Junior Guard youth development by redistributing age division throughout the session providing smaller group sizes for effective instruction.
- Strengthen partnerships with county recreation agencies to expand regional initiatives such as Park Rx, Family Fun Day, and other collaborative programs.

INTERNAL SERVICE FUNDS

INTERNAL SERVICE FUNDS

Stores (City Manager): The Stores Fund accounts for general supplies, postage, and rental of office equipment.

Information Technology (City Manager): The Information Technology Fund provides funding for the replacement and upgrade of the existing computer network. The number of personal computers, laptops, printers, and servers each department uses forms the basis for department allocations.

Equipment Replacement (Public Works): The Equipment Replacement Fund provides funding for the replacement of city vehicles, including passenger cars, parks maintenance vehicles, police vehicles and other specialty vehicles. Departments contribute to this replacement fund based on the depreciation expense of existing vehicles. This fund also receives the revenue received from the sale, or trade-in, of surplus vehicles.

Self-Insurance Liability (City Manager): The Self-Insurance Liability Fund collects funding from departments to pay for self-insured liability and property protection insurance premiums provided through the Monterey Bay Area Self Insurance Authority (MBASIA) joint powers authority.

Workers' Compensation (City Manager): The Workers' Compensation Fund collects funding from departments to pay for Workers' Compensation coverage through the MBASIA.

Compensated Absences (Finance): The Compensated Absences Fund accumulates money to pay future employee benefit costs, such as vacation and sick leave payouts, at termination or retirement. The City Council sets the policy to ensure the City can fulfill future obligations.

STORES FUND

The Stores Fund accounts for general supplies and postage. This also includes the rental of the postage machine and the repair and maintenance of shared office equipment.

EQUIPMENT REPLACEMENT FUND

The Equipment Replacement Fund is designed to provide funding for replacement of City vehicles, including passenger cars, maintenance vehicles, police vehicles and other specialty vehicles. Departments contribute to this replacement fund based on the depreciation costs of existing vehicles. This fund receives revenue from trade-ins and surplus equipment sales. The General Fund charges for services based on the prior year fleet depreciation costs adjusted by the CPI index.

During the annual budget process, the Public Works and the Police Department review the current vehicle inventory listing and make recommendations for vehicle acquisitions and replacements, considering on-going maintenance costs.

SELF-INSURANCE LIABILITY FUND

The Self-Insurance Liability Fund accumulates funds for deductible expenditures and excess incidents above the City's liability coverage. The fund pays for the following expenses:

- Excess Insurance Premiums - The City belongs to the Monterey Bay Area Self Insurance Authority (MBASIA) joint powers authority. MBASIA covers all liability expenses, fire, property protection, and general liability claims up to \$10,000 per occurrence.
- Property Insurance – The City receives property insurance through the Public Entity Property Insurance Program and is insured by Lexington. The City's premium is \$100,000.
- Vehicle and Equipment Insurance Coverage - Coverage for vehicles and equipment with a purchase value of \$25,000 or more. The annual premium is \$7,500 with a \$2,000 deductible.
- Unemployment Insurance - The California Employment Development Department (EDD) defines the City as a "State Unemployment Insurance Reimbursement Client." The City does not pay unemployment insurance premiums to the State. When an employee files for and receives unemployment benefits from the State, the City is responsible for that benefit.

Charges for services are allocated to each General Fund department based on their percentage of the total operating budget from the prior fiscal year less the budget for unanticipated events.

WORKERS' COMPENSATION FUND

The Workers' Compensation Fund satisfies the requirements of Capitola municipal code section 3.24.030, which states, "The City Manager and City Treasurer shall establish a reserve fund for purposes of paying future workers' compensation claims and shall, hereafter, make such annual deposits into that fund as the city is advised are actually necessary to provide a suitable reserve." This program also covers City volunteers.

The City belongs to a Joint Powers Authority (JPA), Monterey Bay Area Self Insurance Authority, composed of several local agencies: Del Rey Oaks, Gonzales, Greenfield, Hollister, King City, Marina, Sand City, Scotts Valley, and Soledad. The City retains exposure to temporary disability payments as long as the injured worker remains an employee of the City. MBASIA purchases excess coverage beyond \$500,000 per occurrence up to statutory requirements.

The annual premium that is assessed to each of the participating cities in the JPA is based on three primary factors: the number of employees in each of the two major categories (Safety & Miscellaneous), the experience rate (cost incurred) of each participating agency, and debt service allocation.

When an employee files a claim, the City pays the employee's salary portion directly from the general fund based upon the standard workers' compensation formula, for the "temporary" claim. The formulas for employees receiving workers' compensation are as follows:

1. Public Safety: Compensation is 100% of salary, non-taxable.
2. Miscellaneous: Compensation is 2/3 of salary with a cap of \$840 per week, non-taxable.

For non-safety staff, City policy allows that accruals (i.e., sick, vacation, etc.) may be used to supplement workers' compensation payments. If the person becomes "permanently disabled" then the JPA picks up the salary portion. The JPA pays all other costs including legal and medical. While on workers' compensation status, the safety and non-safety staff continue to accrue sick and vacation leave balances.

Distribution to General Fund Departments:

The allocation methodology for workers' compensation charges to the General Fund Departments corresponds closely to the cost allocation method used by the JPA. The City divides employees into three classifications: Sworn, Non-Sworn and Volunteers, with cost per FTE calculated. A fund balance accommodates future premium fluctuations, deductibles, and excess liability.

SPECIAL REVENUE FUNDS

SPECIAL REVENUE FUNDS

Supplemental Law Enforcement Services (Police): Funds provided by a State of California COPS grant to provide funding for Community Oriented Policing & Problem Solving (COPPS) programs.

Restricted Transient Occupancy Tax (TOT) (City Council): Capitola voters passed Measure J in 2018 increasing the TOT from 10% to 12% and restricting 0.4% for local business groups and 0.35% for early childhood and youth programming.

Road Maintenance and Rehabilitation Act (SB1) (Public Works): Funds received from the state and used for road maintenance, rehabilitation, and critical safety projects on local streets and roads.

Regional Transportation Commission (RTC) Streets (Public Works): Santa Cruz County voters passed a 0.5 percent user sales tax to fund local roads. The RTC Streets fund will be utilized to increase the City's Street program.

Gas Tax (Public Works): Funds received from gasoline tax revenue from the state and used for new construction, maintenance, and the reconstruction of City streets.

Wharf (Public Works): Accounts for rental income generated from wharf operations and expended on operations and major repairs and improvements.

General Plan Update and Maintenance (Community Development): Funds received as General Plan Maintenance Fee to support future updates to the City's General Plan, implementing ordinances and plans.

Green Building (Community Development): Green Building funds are solely for program management, training, publications, public educational purposes, incentive programs, materials, and supplies to promote sustainable development, water conservation, storm water pollution prevention, and climate action planning.

Public Art (City Manager): This fund accumulates money received as public art fees to acquire works of art to be displayed in or about public places within the city.

Parking Reserve (Public Works): In 2009 the Council authorized a special reserve fund from the Village parking meters for parking-related projects.

Technology Fee (Community Development): 5% of building permit fee funds permit processing technology.

Public Education & Government Cable TV Access (City Manager): This special revenue fund accounts for PEG cable television fees. The expenditures are restricted to PEG access-related activities.

Capitola Village & Wharf Business Improvement Area (Finance): Established to generate revenue for the exclusive purpose of promoting business in the Capitola Village and Wharf Business Improvement Area.

Community Development Block Grants (Community Development): This fund accounts for active CDBG reimbursement grants that are awarded to the City on a project-by-project basis.

Community Development Block Grant Program Income (Community Development): This fund accounts for income from housing loans that are funded with Community Development Block Grant funds. Loans and interest repaid to the fund are restricted to CDBG approved uses.

Library (City Manager): The new Capitola Branch Library opened in June 2021. The Friends of the Capitola Branch Library raised over \$600,000 of donations for project enhancements with approximately \$50,000 remaining in the Library fund.

HOME Program Reuse (Community Development): This fund accounts for housing loans due to the City from the recipients of previous HOME Program grants. Receipts in the Home Program Reuse Fund are restricted to affordable housing activities in accordance with the federal HOME program re-use guidelines.

Housing Trust (Community Development): The City Council adopted an Inclusionary Housing Ordinance in November 2004, which created an Affordable Housing Trust Fund. It is funded from in-lieu fees, which can be used for new affordable housing and rehabilitation of existing affordable housing.

Permanent Local Housing Allocation (PLHA): In 2017, Senate Bill 2 (SB 2) established a \$75 recording fee on real estate documents and created the Permanent Local Housing Allocation Fund (PLHA). PLHA funds are allocated to local governments for eligible housing and homelessness activities and provide a permanent, on-going source of funding for housing-related projects and programs that address the unmet housing needs of communities.

Capitola Housing Successor (Community Development): When the Capitola Redevelopment Agency dissolved, the City elected to become the Housing Successor to the former Low- and Moderate-Income Housing Fund of the RDA.

SUPPLEMENTAL LAW ENFORCEMENT SERVICES

POLICE

In 1996, California's state legislature (AB 3229) established the Citizens Options for Public Safety (COPS) program, allocating \$100,000,000 annually to local governments for front-line law enforcement. These funds are administered through the Supplemental Law Enforcement Services Fund (SLESF) program. The COPS program received its initial funding in the 1996-1997 California state budget and has been consistently funded since then. Section 30061 (c) (1) of the Government Code outlines the future funding details for the COPS program through SLESF.

SLESF funds are grants, and the legislation requires that each municipality receive annual funds to be used for "front-line law enforcement services." These funds cannot be used to replace existing resources but must be used to enhance them. Eligible expenses include salaries, services, supplies, equipment, and administrative costs.

Furthermore, SLESF funds cannot be redirected to a municipality's general fund but must be exclusively used for front-line law enforcement services. The total award to each recipient entity is based on population size, with a minimum annual award of \$100,000 for all entities. For example, the Capitola Police Department receives an annual award of \$100,000. Fund distributions are made regularly throughout the year.

GAS TAX

PUBLIC WORKS

This fund accounts for receipt and expenditure of gasoline tax revenue as provided by state law. The Gas Tax Fund is primarily used to cover the expenses related to maintenance and operation of the City's traffic signals and streetlights. Other Gas Tax Fund programs include street maintenance patching and striping project, street sweeper lease payments, and engineering.

The Gas Tax funds must be spent within 5 years of receipt. Future Gas Tax funds cannot be pledged for current projects with future repayment; therefore, the funds can only be spent once they have been received.

WHARF

PUBLIC WORKS

The Wharf Fund accounts for rental income generated from Capitola Wharf operations and is used to cover ongoing maintenance, operating costs, and periodic repairs. Revenues accumulate in the fund to help meet expenditure needs; however, major repairs—typically required on a 3–5-year cycle—have occasionally required General Fund support to keep the facility safe and accessible.

Following the passage of Measure F, the City reconstructed and reopened the Wharf in September 2024. Measure F revenues are managed through the Capital Improvement Fund (CIP) and supported the design and construction of the improved Wharf. The Wharf Fund continues to be used for maintenance and repair of the now-rebuilt facility.

GENERAL PLAN UPDATE & MAINTENANCE

COMMUNITY DEVELOPMENT

In 2002, the State Legislature passed AB 2936 to enable cities to collect fees “reasonably necessary to prepare and revise the plans and policies that a local agency is required to adopt before it can make any necessary findings and determinations”. The General Plan Maintenance Fee is currently 0.5% of the total building valuation with a cap of \$100,000 to cover the cost of a future comprehensive update of the City’s General Plan.

Valuation is calculated on a cost per square foot basis. The City of Capitola uses \$200/square foot valuation for the average house, and \$300/square foot for houses with increased values.

The City adopted a comprehensive update to the Zoning Code which was certified by the California Coastal Commission in 2021. The 6th Cycle Housing Element Update was certified by the state in 2024. The adopted budget provides adequate resources to fund consultant contracts and staff time to finalize the Housing Element implementation efforts in FY 25/26.

GREEN BUILDING

COMMUNITY DEVELOPMENT

The Green Building Ordinance (Chapter 17.10 to the Capitola Municipal Code) was adopted in May 2008 and later amended in November 2014. The Green Building Ordinance establishes the Green Building Fund, which provides funding for the administration and implementation of the Green Building program and related sustainability initiatives. The intent of the Green Building fund is to provide resources for programs and initiatives which promote environmental sustainability, resource conservation, greenhouse gas emission reductions, and solid waste reduction. The fund is utilized for the City's participation in regional climate action planning as a member of the Resilient Central Coast, fund a consultant contract to update the Climate Action Plan, and implement the Green Halo construction waste tracking system.

Application and Use of Funds (per City municipal code): The Capitola Green Building Regulation applies to non-residential additions and/or exterior remodels totaling 1,000 or more square feet and residential additions and/or remodels totaling 350 square feet or more. Building permits which are required to comply with the Green Building Regulations shall be assessed a fee of 0.0025 times the overall valuation of the project. Revenues collected shall be maintained by the Finance Department as a revolving Green Building Fund and shall be used only for program management, training, publications, public educational purposes, incentive programs, materials and supplies necessary to promote sustainable development, water conservation, storm water pollution prevention, and climate action planning activities.

PUBLIC ART

CITY MANAGER

The City established a Public Arts fee in 2004. The purpose is to ensure that 2% of the cost of eligible municipal capital improvement, renovation, or restoration projects are funded in whole or in part by the City of Capitola or any private, non-residential development project with a total building permit valuation of \$250,000 or more is set aside for the acquisition of works of art to be displayed in or about public places within the City. For a private development, there is an in-lieu option to contribute 1% of the total budget to the Public Art Program. As part of the program expenses, up to 20% of the art allocations may be expended on program administration, project management and community outreach activities.

PARKING RESERVE

PUBLIC WORKS

In 2009, as part of a parking meter rate increase, the City Council established the Parking Reserve Fund. Revenues deposited into this fund represent 16% of parking meter revenues from the Village area (Parking Meter Zone A1). The fund was established to fund parking improvement projects throughout the Village. As part of the FY 2023-24 City Council Goals this debt was paid off.

TECHNOLOGY FEE

COMMUNITY DEVELOPMENT

On November 12, 2009, the City of Capitola adopted a resolution establishing the Technology Fee. The fee is 5% of the Community Development and Public Works permit fees. The City has updated building, planning, and public works permitting software. The system better coordinates plan review activities among departments and will allow the public to inquire and search records and monitor progress of applications through the internet. The City will continue to make changes to the system in order to provide better service to the public and to improve internal processes. The zoning update process and its implementation will also benefit from the system's data resources and enhanced reporting capabilities.

PUBLIC EDUCATION/GOVERNMENT CABLE TV ACCESS (PEG)

CITY MANAGER

This Special Revenue Fund accounts for Public, Education & Government (PEG) cable television fees. The PEG Access fee from all cable service providers is 64 cents per subscriber and is due to the City concurrent with the Franchise Fee Payments. The City is required to segregate PEG access fees and related purchases.

The funds received through PEG fees are retained by the City and utilized for capital equipment purchases in support of PEG access only. PEG channels are set aside for the following purposes:

- Public - available for use by the public
- Education - available for use by educational institutions for educational programming
- Government – available for programming by local governments

CAPITOLA VILLAGE/WHARF BUSINESS IMPROVEMENT AREA (BIA)

FINANCE

In June 2005, the City of Capitola adopted Ordinance No. 889, which added Chapter 5.10 to the Capitola Municipal Code establishing the Capitola Village and Wharf Business Improvement Area (BIA). It was established to generate revenue for the sole purpose of promoting business in Capitola village and on the wharf. State law requires certain annual actions and public hearing to continue this assessment district. The program is run with the assistance of a BIA Board of Directors, which provides city council with an annual budget proposal.

COMMUNITY DEVELOPMENT BLOCK GRANTS (CDBG)

COMMUNITY DEVELOPMENT

The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The program is funded through the Federal Department of Housing and Urban Development (HUD) and Capitola participate in the competitive Small Cities Grant Program administered by the California Department of Housing and Community Development.

In recent years, the City has been awarded CDBG grants to fund the City's Local Hazard Mitigation Plan (LHMP), Safety Element of the General Plan Update, and CARES Act funding in response to the pandemic. In 2021, the City was awarded with a \$497,000 CDBG grant for public food assistance and transit including funds for Second Harvest Food Bank (\$119,840), Meals on Wheels/Lift Line (\$299,720), Grey Bears (\$52,950), and administration of the grant. In 2024, the City was awarded \$3.3 million to assist in the rehabilitation of the Jade Street Community Center.

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM INCOME

COMMUNITY DEVELOPMENT

This special revenue fund accounts for issuance and repayment of CDBG-funded housing loans made by the City to income-qualifying households. These funds are referred to as CDBG Program Income. CDBG Program Income must be used for CDBG-approved purposes. The three primary sources of CDBG Program Income are the payoff of Loma Vista Mobile Home Park resident loans, CDBG-funded First Time Homebuyer Program loans, and CDBG-funded Rehabilitation Program loans.

If the total amount of Program Income received in any fiscal year is less than \$25,000, the funds received are not subject to Federal CDBG regulations. If the amount exceeds \$25,000, all Program Income received during that fiscal year is restricted to CDBG-approved Federal spending guidelines.

LIBRARY

CITY MANAGER

This special revenue fund accounts for revenue and expenses related to the design and construction of the new Capitola Branch Library. The former Redevelopment Agency contributed \$2.6 million to the County of Santa Cruz which was held in a trust fund for the future construction of a new branch library.

The Voters of Santa Cruz County authorized the Santa Cruz Libraries Facilities Financing Authority to issue general obligation bonds in an aggregate principal amount not exceeding \$67 million. The City of Capitola will receive \$10.0 million from the bonds to be used towards the construction of the new branch library, bringing the City's total available funds to \$12.6 million.

The City started utilizing the County Trust Fund money in FY 2016/17 to hire a project manager to oversee the development of plans and ultimately the construction of the Library. Under the trust fund agreement, the City can utilize 15 percent of the funds for pre-construction activities.

In addition to the funding sources mentioned above, the Friends of the Capitola Branch Library (Friends) conducted a fundraising campaign raising over \$600,000. The funds donated to the Friends were utilized for enhancement projects throughout the Library. The City completed construction of the new Library in June 2021, however, there remains approximately \$50,000 of donated funds that the Friends are evaluating for the best use of those remaining funds.

Additionally, Capitola is scheduled to receive approximately \$165,000 annually for the next 20 years as a result of additional Measure S revenues. The first \$855,000 will be used to repay the general fund for contributions to the Library project.

HOME PROGRAM REUSE

COMMUNITY DEVELOPMENT

This special revenue fund accounts for revenue from the repayment of Federal Home Investments Partnership Program (HOME) loans. Expenditures in this fund must be used for affordable housing activities in accordance with the Federal HOME Program Reuse Guidelines, including first-time homebuyer loans, owner-occupied rehabilitation projects, and affordable housing assistance projects. As loans are paid off, those funds are returned to the Home Program Reuse Fund and become available for affordable housing activities.

Annual revenue represents principal and interest payments on the 30-year \$238,000 Wharf Road Manor Mobile Homeowners Association Acquisition and Rehabilitation Project loan from 2004 as well as other HOME loan payoffs.

In January 2009, the City of Capitola entered a Standard Agreement with the California Department of Housing and Community Development for a HOME grant in the amount of \$2,000,000 for rehabilitation expenses related to the 109-unit Bay Avenue Senior Apartments Project. Construction of the project was completed in May 2011. The grant was provided to First Community Housing, the Bay Avenue Senior Apartments project developer, as a residual receipts loan at 3% interest. In May 2011, the HOME program increased the grant award by \$1.2 million dollars to cover additional costs related to required rent level revisions, which are lower than estimated in the original pro-forma. The grant funds have been received and dispersed. In recent years, multiple loans have been paid off creating a healthy fund balance for future HOME projects.

The adopted budget provides adequate resources to apply for a larger rehabilitation project for the Dakota Apartments in FY25/26. The 25-unit, 100% affordable housing development is approaching 30 years in age and in need of upgrades for the roof, heating system, and main lobby area. The budget also covers long-term monitoring of the Bay Avenue Senior Apartments.

HOUSING TRUST

COMMUNITY DEVELOPMENT

In November 2004, the City Council adopted an inclusionary housing ordinance as part of the City's ongoing efforts to provide affordable housing. This ordinance created the Affordable Housing Trust Fund to use as a flexible local source of funding for the creation of new affordable housing, rehabilitation of existing affordable housing, funding of local programs to assist lower and moderate-income buyers purchase affordable housing, or as leverage of local funds for larger State and Federal grants. This housing activity is funded through in-lieu fees collected from development projects and does not impact on the General Fund.

The Affordable Inclusionary Housing Ordinance refers to a City Municipal Code Section that requires that fifteen percent (15%) of the units in a new for-sale residential construction project be made available to low or moderate-income buyers. Condominium conversion projects are also covered under this ordinance. As outlined in the ordinance, project developers provide affordable set-aside units or under certain conditions can pay an in-lieu fee.

The City's Housing Trust Fund allows for up to \$75,000 per year to be spent on affordable housing program administration. This includes working with developers on fee collection, administration of the Housing Trust Fund, and implementation of the Inclusionary Ordinance.

The adopted budget provides adequate resources to initiate a housing rehabilitation grant program, a down payment assistance program, and administration.

PERMANENT LOCAL HOUSING ALLOCATION

COMMUNITY DEVELOPMENT

In 2017, Senate Bill 2 (SB 2) established a \$75 recording fee on real estate documents and created the Permanent Local Housing Allocation Fund (PLHA). PLHA funds are allocated to local governments for eligible housing and homelessness activities and provide a permanent, on-going source of funding for housing-related projects and programs that address the unmet housing needs of communities.

On May 10, 2023, the City of Capitola was awarded \$481,732 in PLHA funds for the first three years of the allocation (2019-2021) and a total five-year estimate of \$630,557. The City anticipates additional funding on an annual basis. The first PLHA activity approved is for predevelopment costs related to affordable housing developments. The second activity is to fund the very low income homeless through an annual contribution of \$35,000 to the Housing for Health Partnership to support year-round emergency shelter operations in Santa Cruz County. A portion of the funding will cover administrative expenses.

The Adopted budget proved adequate resources to support the development of the 52-unit 100% affordable housing development project at 1098 38th Avenue.

CAPITOLA HOUSING SUCCESSOR

COMMUNITY DEVELOPMENT

In 2011, the California State Legislature passed ABX1 26 to dissolve redevelopment agencies. The legislation was contested and upheld by the California Supreme Court. It requires a number of actions to be taken by the city in the winding down of the RDA. Among other things, it allows cities to elect to retain the former RDA Low- and Moderate-Income Housing Fund. The Capitola City Council elected to retain the former RDA Housing with the following new city special revenue fund, the Capitola Housing Successor.

A further requirement of the legislation is the establishment of a program income fund to segregate loan payoffs received by the Housing Successor after the dissolution of the Redevelopment Agency. These funds were initially restricted in their use, repayment, and reuse and the Housing Successor continues this restriction. As payments are received on loans associated with the original RDA Low- and Moderate-Income Housing Fund or the Capitola Housing Successor will be applied to the Capitola Housing Successor.

Newly implemented SB341 requires annual reporting on the Housing Successor Assets to be included with the Annual Financial Statements and the Housing and Community Development (HCD) Annual Progress Report on the Housing Element of the General Plan.

The Adopted budget provides adequate resources to continue supporting security deposit assistance, emergency rental assistance, administration of the City's affordable housing program, and the MidPen loan to help fund the preconstruction and construction for the 52-unit 100% affordable development at 1098 38th Avenue.

RESERVES

RESERVES

Emergency Reserves (Finance Department): The City Council established the Emergency Reserve Fund to accumulate funds to meet future unanticipated needs. The City of Capitola Administrative Policy III-3, Financial Management Policy, amended on February 28, 2013, to increase the required level of emergency reserves from five to ten percent of operating expenditures.

Contingency Reserve (Finance Department): The City Council established the Contingency Reserve Fund to accumulate a prudent level of financial resources to protect the City against temporary revenue shortfalls or unanticipated operating costs, and/or to meet short-term cash flow requirements. The City of Capitola Administrative Policy III-3, Financial Management Policy, amended on February 28, 2013, to increase the level of contingency reserves from 10 to 15 percent of operating expenditures.

PERS Contingency Reserve (Finance Department): The City Council established the PERS Contingency Reserve Fund in FY 2015/16. The Council discussed possible uses of a General Fund positive ending balance and wanted to set aside funds for future PERS increases. In FY 2022-13 an additional \$500,000 was deposited into the Trust to add to the previously deposited \$800,000.

Facilities Reserve (Finance Department): The City Council established the Facilities Reserve Fund to serve as a resource to fund capital improvements and major repairs on City facilities. Based on the National Research Council Stewardship of Federal Facility guidelines, the City's goal is to provide annual contributions equal to two percent of the facility replacement values. This annual contribution will be determined each budget year.

EMERGENCY RESERVES

The City of Capitola adopted an Emergency Reserve Policy as part of the City's Financial Management Policies. This reserve protects against significant one-time costs that arise from major unpredictable emergency events. In FY 2012/13, the City amended the Financial Management Policies to increase the funding level of Emergency Reserves from five to ten percent of the General Fund budgeted expenditures, or approximately \$1.6 million in FY 2024-25.

The Emergency Reserve fund was nearly depleted in March of 2011 due to an underground storm drain failure that flooded Capitola Village and the surrounding area. The City was required to recognize a \$1.4 million extraordinary loss on the FY 2010/11 and FY 2011/12 financial statements. An additional \$200,000 was needed to fund a related retaining wall project. In FY 2012/13, a settlement was reached with the City's insurance carrier to pay \$1.35 million in damages to the City.

The March 2011 pipe failure repairs were paid from the City's Emergency Reserve Fund. As funding in the Emergency Reserve Fund fell short of the flood-related costs, additional funding to respond to the flood event was provided through interfund loans from the Contingency Reserve Fund and Capital Improvement Fund. In FY 2011/12, the Emergency Reserve Fund balance was \$410,000 lower than the targeted balance. In FY 2012/13, funds were transferred from the internal service funds, Measure O revenue receipts, and the General Fund operating balance to assist in replenishing the reserves.

In FY 2014/15 and FY 2015/16, \$465,100 and \$213,000, respectively, were budgeted for transfer to the fund to prepare for any unforeseeable emergencies and to meet the new Emergency Reserve targeted levels. As the chart below shows, the reserve balance is currently below the target level for FY 2024-25 in part due to the transfer of \$80,000 for damages from the Jan. 2023 storms. The City anticipates receiving reimbursements from FEMA and Cal OES and plans to fund reserves to target balances once received.

CONTINGENCY RESERVES

The City of Capitola adopted a Contingency Reserve Policy as part of the City's Financial Management Policies. This reserve was established to provide a prudent level of financial resources to protect against temporary revenue shortfalls, unanticipated operating costs, and/or to meet short-term cash flow requirements. In FY 2012/13, the City amended the Financial Management Policies to increase the Contingency Reserve target from 10 to 15 percent of General Fund budgeted expenditures, or approximately \$2.6 million in FY 2024-25.

Due to the expenses associated with the March 2011 pipe failure, a loan was made from the Contingency Reserves Fund to the Emergency Reserves Fund. As a result, Contingency Reserves were \$727,000 below their Financial Management Policy funding goal in FY 2011/12. In FY 2012/13, funds were transferred from the Internal Service Funds, Measure O revenue receipts, and the General Fund operating balance to assist in replenishing and building the reserves.

In FY 2014/15 and FY 2015/16, a total of \$182,600 and \$89,400 were transferred to the fund to meet the new Contingency Reserve targeted levels. As the chart below shows, the reserve balance is currently estimated to be below the target level for FY 2024-25. The City anticipates receiving reimbursements from FEMA and Cal OES and plans to fund reserves to target balances once received.

PERS CONTINGENCY RESERVES

The City of Capitola established a PERS Contingency Reserve as part of the FY 2015/16 Budget process. The fund was set up to help stabilize the City's finances and help manage future increases in PERS contributions.

The PERS Contingency Fund was initially funded with a \$300,000 transfer from the General Fund. The \$300,000 allows for two years of PERS projected increases and time to evaluate options to address the larger unfunded liability and yearly obligations.

In December 2016, \$300,000 was invested in a moderately conservative trust fund with Public Agency Retirement Services (PARS). The FY 17/18 budget transferred an additional \$500,000 into the PERS trust fund to offset rising pension costs. During the FY 2022-23 goal setting session the City Council allocated \$500,000 of existing fund balance to the PERS Trust reserve.

FACILITIES RESERVES

The Facilities Reserve Fund was established in FY 2014-15 to serve as a resource to fund capital improvements and major repairs on City facilities. The National Research Council Stewardship of Federal Facilities recommends setting aside two to four percent of building replacement costs to preserve or extend the life of facilities. The estimated replacement value of the City's facilities is \$17.5 million.

The Facilities Reserve is used to fund future facility needs of the City. The Proposed FY 2024-25 Budget does not include any funding for the Facilities Reserve.

PACIFIC COVE LEASE FINANCING

DEBT SERVICE

The City of Capitola owns 426 Capitola Avenue, which formerly housed the 41 mobile home Pacific Cove Mobile Home Park. On March 24, 2011, a 72" storm drain that carries Noble Gulch Creek water from Bay Avenue to Soquel Creek catastrophically failed following a heavy rain storm. This resulted in flooding of the Pacific Cove Mobile Home Park, City Hall and village residences and businesses. The initial estimate to bring the park up to code was \$1.33 million. Due to the high cost and potential for future liability, Capitola City Council approved a Relocation Impact Report (RIR) for the closure of Pacific Cove Mobile Home Park in January 2012. The RIR provided a cost estimate for relocating residents and professional relocation consultants to help displaced residents find suitable replacement housing. The City executed a \$2.39 million lease/sublease agreement using the existing City Hall site and adjacent upper parking lot as the pledged property. The City verified income status as part of the relocation process and determined that a percentage of Housing Trust Fund monies could be used to repay the debt service at a proportion no greater than the number of low income mobile home occupants that were relocated. The funding sources for debt service payments will be determined annually. Any General Fund monies for the share of allowable costs from other funding sources may be reimbursed in subsequent years as funds become available.

At the time the loan was issued, there was some uncertainty as to whether the property would be developed for public or private use. This resulted in the City entering into a 20-year taxable lease/sublease agreement at an interest rate of 5.14%. In FY 12/13, the City determined that the site would be converted to a public parking lot, now named Beach & Village Parking Lot II (BVPL II). This public use allows the City to refinance the existing debt at a 3.25% tax-exempt interest rate with a 10-year Treasury Bill reset + 1.5% in year 10. As a result of the refinancing, annual loan payments were reduced by approximately \$28,000, with an estimated nine-year interest savings of approximately \$350,000. In FY 12/13 the City reached a \$1.35 million insurance settlement related to the pipe failure. This resulted in a principal reduction of \$476,200, with a prepayment penalty of \$23,800. During the FY 2023-24 City Council Goal setting the Council allocated \$725,000 to pay off the outstanding balance saving approximately \$150,000 of interest costs over the next several years.

BEACH & VILLAGE PARKING II – LEASE FINANCING

DEBT SERVICE

In April 2013, the City of Capitola received \$1,372,000 in funding from the California Infrastructure and Economic Development Bank (I-Bank) for development of a parking lot on the former Pacific Cove Mobile Home Park site. The funding was used to create the 226 space Beach & Village Parking Lot II. The project included grading, pay station installation, shuttle bus stops, landscaping, pedestrian walkways, and pay stations for the upper parking lot. The I-Bank loan is 2.26% tax exempt reimbursement financing.

This project improved parking capacity for Capitola Village, Capitola Beach, and Capitola Wharf, and is especially helpful during peak seasons. The additional parking spaces are also anticipated to facilitate the development of a hotel. The parking lot contributes about \$44,000 annual revenue to the General Fund and the I-Bank annual debt service of \$87,568 is paid with funds transferred from the General Fund.

CAPITAL IMPROVEMENT PROGRAM

PUBLIC WORKS

The City of Capitola's Capital Improvement Program oversees planning, design, and construction of the City's improvement projects. The CIP program is broken into facilities, parks, streets, creek enhancement, and neighborhood traffic projects. The projects are prioritized through the collaborative effort of City staff, City Council, and the community. Maintaining the City infrastructure requires long range planning and prioritizing to plan for necessary improvements, funding needs, and funding availability.

The City's facilities include City Hall, Police Station, Corporation Yard, Jade Street Park Community Center, Upper and Lower Pacific Cove Park Parking Lots, Capitola Municipal Wharf, and the Library. Parks include McGregor Park complex (dog, skate, pump track), Monterey Park, Rispin/Peery Park, Cortez Park, Esplanade Park, Nobel Gulch Park, Soquel Creek Park, Library Tot-lot, Hihn Park, and multiple City medians, streetscapes, and public art displays.

The Street system includes 9.3 miles of arterial roads, 3.4 miles of collector roads, and 13.5 miles of local roads. The City utilizes a Pavement Management Program to track pavement conditions and plan maintenance efforts on 112 individual roads.

The City currently has seven active projects totaling approximately \$9 million and anticipates an additional \$3.2 million of CIP grant funding to be approved during the fiscal year.
