

Public Works Department

Memo

To: City Council
From: Jessica Kahn, Public Works Director
Date: February 13, 2025
Re: Items 9A (Bay Avenue Corridor Study) and 9B (Bay Avenue and Hill Street Traffic Safety Update)

Staff recommends continuing Items 9A (Bay Avenue Corridor Study) and 9B (Bay Avenue and Hill Street Traffic Safety Update) to the City Council meeting scheduled for February 27, 2025, to allow for additional public outreach. Staff is arranging meetings with local businesses to gather feedback. These items will return to the Council with updated public input at the rescheduled meeting date.

Any public comments received on the items will be included in the agenda packet for the rescheduled meeting date.
