Describe your qualifications and interest in serving on this Board/Commission/Committee: _____

I am very interested in local government and business because of the important roles they play in our community.

I have owned and operated my business, Pedersen Home Enhancement for the past three years while pursuing a degree in mechanical engineering. I have considerable experience volunteering with non profits and community organizations including my current roles of trustee for the Second Harvest food bank, CEO of the non profit Blue Circle, President of the Cabrillo College Entrepreneurs club and ambassador for the Santa Cruz county Chamber of Commerce. I work with the Small Business Development Center where I am currently partnering with the city of Capitola to help businesses prepare their applications for the city's Covid relief grant.
