THE FOLLOWING APPLIES TO CALIFORNIA MOTORCYCLE OWNERS WHERE REPAIRS INVOLVE INSTALLATION OF MOTORCYCLE PARTS: A buyer of this product in California has the right to have this product serviced or repaired during the warranty period. The warranty period will be extended for the number of whole days that the product has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect has been fixed. The warranty period will also be extended if the warranty repairs have not been performed due to delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect and the buyer notifies the manufacturer or seller of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return this product for a replacement or a refund subject, in either case, to deduction of a reasonable charge for usage. This time extension does not affect the protections or remedies the buyer has under other laws.

To cover the cost of credit card acceptance, we pass on a 3.5% credit card fee. This is not more than the cost of accepting these cards. There is no fee for debit cards
