**Subject:** City Council Agenda Item 4A, City Council Vacancy

Dear Capitola City Council,

We are emailing in regard to the appointment of a new city council member to fill the vacant seat left by Alex Pedersen's resignation.

We strongly support Susan Westman for this city council seat.

After reviewing all of the submitted applications, she is the individual with the most relevant experience who can assist the council most effectively during the remainder of the term.

Thanks,

Meghan & Mike Morrissey  
Capitola Residents
