Subject: Consent item 8J, Park Avenue

Dear City Council Members,

Please pull item 8J from the Consent Calendar, as the exact content of the traffic calming proposals has never been subject to resident's perusal or approval, which it should be, especially by those who live on Park Avenue.

I look forward to seeing what is proposed and offering suggestions as to how the traffic calming suggestions may be improved at a future public hearing. It seem only the right thing to do, as the speeding issue has become intolerable, and little is done to enforce the speed limit.

I look forward to your decision on this matter.

Thank you,

Terre Thomas
