Dear City Council Members

I am writing this letter to you, the city council in hopes that you will choose Susan Westman as the new City Council member.

I am a citizen of Capitola for more than 53 years and have worked with the City in volunteer positions several times. i have worked on the Finance Committee, The Hiring Committee, The Rispin Mansion Committee, and the committee for promotion of Capitola Police Officers. In doing so over the years, I have had the pleasure of knowing Susan Westman in her capacity as City Manager and can tell you that I can't imagine a more qualified person in our community to represent the citizens of Capitola.

What a great advantage for the city council to have someone so qualified as Susan Westman for the job, and to fill the council position. She knows very well how the city functions and operates, and she knows many of the long time citizens of Capitola, past council members, as well as planning commissioners. I hope that your choice for the position on the City Council will be Susan Westman. She IS THE MOST QUALIFIED FOR THE JOB.

Thank you for your consideration
Charles Thomas
516 Park Ave
Same address for 53 years.
