Subject: Support for Susan Westman – Vacant Council Seat

Dear Capitola Mayor and City Council,

As a Capitola resident, I believe Susan Westman is the most qualified candidate to fill the Council seat recently vacated by Alexander Pedersen. Her experience as a former City Manager and longtime Planning Commissioner gives her a deep understanding of our community's needs.

Having attended many local meetings, I've consistently been impressed by Ms. Westman's knowledge and her clear, thoughtful communication. I'm confident she would serve the Council and our village with distinction.

Thank you for your consideration.

Sincerely,

Mel
