Re: Item 8F - Adoption of FY 2025–26 Road Project List

Staff wishes to note a correction to Item 8F (Adoption of FY 2025–26 Road Project List). The staff report correctly states that the City is projected to receive \$258,668 in SB 1 funding. However, the originally published resolution included an incorrect funding amount.

The resolution has been revised to reflect the correct SB 1 amount of \$258,668. No other changes have been made.

CORRECTED RESOLUTION:

RESOLUTION NO. _____

WHEREAS, the City, will receive an estimated \$258,668 in RMRA funding in Fiscal Year 2025-2026 from SB 1; and

WHEREAS, this is the ninth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and
