Dear Mayor and Council members,

I strongly urge you to appoint Susan Westman to the open seat on the City Council. She has the most experience of all the applicants, is highly respected in the community, and is devoted to the well being of all Capitols.

She has direct experience with almost all of the developments and projects in Capitola over the last many years, and will be an Invaluable member of your team planning the future of our town.

We will have a very bright future with Susan's wisdom, experience, caring, fairness, and willingness to work hard.

Thank you for all your good work for Capitola.
