Hi City Council Members,

With the upcoming election I wanted to take a moment to introduce myself to you. My name is Trevor Whitcomb, I am 46 years old and originally hail from New Hampshire. I moved to CA at age 18 for school and have never left. Me and my wife purchased a home in the Depot Hill area earlier this year and love it. As a surfer and avid mountain biker, this place is a dream to me. My goal of attaining a position on the council is to actively engage in the community and help foster a healthy relationship between the budget and quality of life for the residence here. I have experience in both large budget management and state regulations dealing specifically with infrastructure and development. I have helped the cslb create additional licensing classifications and have been a member of the gbci and LEED certifications. I really delight in working with people to solve problems and build lasting community development for others to enjoy. I consider myself a fiscal republican with a very open mind to the democratic community. Please consider me to work with you in keeping Capitola awesome!

Best Regards

Trevor
