Good morning.

I'm writing to you to express my support for the service center and dealership that is proposed at the old Rite Aid space in Capitola.

As a Tesla owner, I have no local options for servicing my vehicle. Currently I have the option of driving over the hill or to Seaside. Having a service center in town.... I'm a Santa Cruz resident.... would be extremely beneficial for all the Tesla owners in the area. Please look at this with an apolitical eye.

Regards,  
Nick
