Capitola City Council Agenda Report

Meeting: January 11, 2024

From: Finance Department

Subject: FY 2022-23 Audit Report

Recommended Action: Receive Fiscal Year 2022-23 Audit Report.

<u>Background</u>: The City of Capitola is required by state statute to publish a complete set of financial statements presented in conformity with generally accepted accounting principles and audited in accordance with generally accepted auditing standards. The audit must be conducted by a firm of licensed certified public accountants.

The City's Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2023, has again received an "unmodified" opinion, which indicates the auditor believes the financial statements are presented fairly in all material respects. The City's annual audit and ACFR meet all state and federal requirements and will be available to the public at City Hall as well as on the City's website.

<u>Discussion</u>: The financial report presents the financial condition, results of operations, and current economic condition for the City and component units' Fiscal Year ended June 30, 2023. Financial information for the Successor Agency is presented as a separate Private Purpose Trust Fund within the ACFR.

The independent audit firm Eide Bailly LLP issued the following opinion on the City's financial records, found on page two of the ACFR: "In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Capitola, California, as of June 30, 2023, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America."

The Fiscal Year (FY) 2022-23 ACFR has been submitted to the Government Finance Officers' Association for the Excellence in Financial Reporting Award. The City's ACFR has received this prestigious award for the last nine fiscal years. Previously, the City had received the California Society of Municipal Finance Officers Award for Outstanding Financial Reporting every year since FY 2000.

In addition to the ACFR, the auditor also issues a Management Letter and the Letter of Required Disclosures to the Governing Body and Statement of Auditing Standards (SAS) 114. The Management Letter discusses the City's internal control over financial reporting and makes recommendations, if necessary, of controls that need to be strengthened. The SAS 114 Letter is a document that discusses, among other matters, any significant audit findings. Neither document identified any areas of concern.
