

Attachment A: General Plan Land Use Element Amendment

Action LU-9.2 Auto Plaza Signage. Amend the Zoning Ordinance to allow more prominent signage for the Auto Plaza.

Action LU-9.3 Increased Floor Area Ratio. The City Council may authorize increased FAR for properties located within the 41st Avenue corridor as follows:

- ◆ Properties fronting 41st Avenue or the 41st Avenue/Capitola Road intersection, including excluding the Capitola Mall property bound by 41st Avenue, Capitola Road, and Clares Street, with a Regional Commercial or Community Commercial land use designation may be developed at a maximum FAR of 2.0.
- ◆ Structures on properties fronting the east side of 41st Avenue must be set back a minimum of 100 feet from the property line abutting a residential property.

To approve a request for an increased FAR, the City Council must find that 1) the additional FAR results in a superior project with substantial community benefit; 2) the project enhances economic vitality; and, 3) the project is designed to minimize adverse impacts to neighboring properties.

On the Capitola Mall property, a maximum FAR of 2.0 is permitted for residential and mixed-use development that complies with objective standards in the Zoning Code.

Action LU-9.4 Retail/Office Mix. Take action to maintain an appropriate mix of retail and non-retail uses along the 41st Avenue corridor. These actions will include:

- ◆ Continuing to require a Conditional Use permit for offices, medical services, and other non-retail uses in the Regional Commercial designation.
- ◆ Amending the Zoning Code to require the Planning Commission to specifically find that a proposed non-retail use will not detract from the economic viability of the corridor.
- ◆ Preparing a study to examine the optimal socio-economic mix of retail and office/professional uses on 41st Avenue.
