To City Council <citycouncil@ci.capitola.ca.us>

Dear Council Members,

Please include tax revenue for any future development of the Capitola Mall. Additional housing is important but so is tax revenue to support the additional housing cost to the city of Capitola. I support a hotel, retail and housing on a smaller scale than Santana Row, a scale that would fit our community.

Regards,

Suzanne Cochran

A full time resident and home owner in Capitola.
