Dear Capitola City Council:

I respectfully ask that you approve one of the funded "Rail/Trail" Options, either Option A, or Option B.

(I believe **Option A** seems more practical and realistic.)

There's been a lot of controversy over our county's "Rail Trail" issue over the years and I'm surprised more folks haven't been able to visualize this as an "Investment". An investment in our county's future, one that can be expanded and improved upon by future generations of Santa Cruz county residents. I'm certain those future residents will appreciate you being visionary and forward-thinking for implementing this.

I understand your staff has recommended that you hold a Town Hall Meeting on this matter, I strongly endorse that.

And please bring the Park Avenue Plan back for approval, the sooner the better, thank you.

Sincerely,  
Carl Seibert  
Soquel
