Dear Council People,

The trail on or next to the tracks was what Capitola wanted. Do not let the incompetent RTC bully you into accepting this unsafe alternative. We voted on Measure L to protect the trestle and the town from redevelopment of the trestle to meet Federal standards. Maybe the RTC should consider another option, such as using the trainline from Capitola to Watsonville as trail only. They can run the tourist train from 41st to the boardwalk. The train stops at Capitola!!

Trail only through Capitola.
