**Subject:** Your approval of trail plan A/B

Dear City Council members:

Please do not spend any more time studying and holding more town halls in considering approval of the Park Avenue trail plan A or B! Any further delays only adds to the miss information campaign and the expenses that the the involved parties have had to expend! You have an opportunity to be decisive and forward thinking! This is what you are elected to do! Do not defer or delay further!! Thank you!!
