My suggestion to the council regarding the wharf: We all miss the restaurant at the end of the wharf, but since that is not practical due to storms; I suggest that we hire a band once a month or every other week, or even weekly to play at the end of the wharf, install picnic tables at the end of the wharf, and encourage some food vendors to provide available food for purchase. Perhaps we could also allow a vintner to provide wine tasting as well. Thanks for hearing my suggestion, Cheryl
