Dear Capitola City Council Members,

I hope all is well. I am writing to formally express my interest in serving on the Measure Q Citizens Oversight Advisory Board (COAB). I am deeply invested in the well-being of our community and believe that Measure Q plays a vital role in maintaining and improving essential services, infrastructure, and public spaces, including parks and recreation.

With my experience in community engagement and my passion for ensuring transparency and accountability in public funding, I believe I can contribute meaningfully to the COAB's mission. The board's role in engaging with the community, developing Vision Plans to guide funding awards, and providing annual reports to the Board of Supervisors aligns with my commitment to responsible civic service.

I would welcome the opportunity to bring my perspective and experience to this advisory body and work collaboratively to uphold the values of transparency, fiscal responsibility, and community-driven decision-making. I appreciate your time and consideration, and I would love to discuss how I can best serve Capitola in this role.

Thank you for your time and for your ongoing commitment to our community.
