Subject: Bay/Hill intersection

Council,

As a daily Gayle's and/or Nob Hill frequenter, I like the changes on Bay Ave. made..but only in the northbound direction !!!

I feel the southbound direction should be reversed back to its original makeup.

The backup traffic between Hwy. 1 and the intersection at peak times is cause for bad behavior by impatient drivers(not me). Shortcut takers avoiding the backup drive hurriedly risking safety!

Maybe related but I'll never know, just yesterday mid morning I think, I was parked in Gayle's at the 3 spots in the parking lot bordering Bay Ave. Suddenly a large white truck northbound on Bay Ave. decided to use the parking lot as a shortcut, unwilling to wait 1-2 cars ahead of him. He came through the parking lot about 20 miles per hour and never stopped as he exited right onto Capitola Ave. I laid on the horn.

I could only guess he sped up Cap. Ave. and left on Hill St to save himself 30 seconds wherever he was going 🤔

That may or may not be related to the Bay Ave changes. I just wanted to bring it to the table for any decisions upcoming.

Thank you for listening.
