**Subject:** Please don't make it two lanes

Coming towards Gayles. That race to be the first car into the single lane was the most dangerous part. Made folks do right turns out if knob hill without stopping all the time.

Let's not make it that dangerous again. Congrats on 25k from CORE Yvette awarded by the county. Yours was the only org didn't make sense to be chosen out of the discretionary. Confirmed why already. Love budgets.

Warmly JM
