Follow up

Every incumbent running on our council was voted off. I can't remember the last time an incumbent lost in Capitola. Bet one with pictures of them and the President never has.

And at the supervisor level David slew Goliath. Kim only lost one precinct iirc.

This is a clear mandate from voters that they want different representation. Please do not change the essential traffic calming (unless it's to improve it I have ideas) at Bay Hill. Traffic isn't even bad anymore since people figured out the new set up.

It was significantly more dangerous statistically, theoretically and in practice before the upgrades. We always choose cars in our culture. Let's choose neighbors and childrens' lives for once.

And for those of you not motivated by doing what's right, if someone is injured there because you remove the safety measures my gaze will fall on those responsible. Ask Kristen and Margaux what happens next although to be fair, Yvette is who took down Margaux not me. I don't bother with placeholders.

Warmly JM
