Subject: April 10, 2025 Agenda Item 9A (Grand Avenue pathway)

Dear City Council members:

We request that the council take action to repair and maintain the Grand Avenue pathway. The pathway helps build community for all residents and visitors to Capitola. It provides access to ocean views to everyone, and not just those houses directly on the bluff. It is one of the few safe walking paths along our coastline without risk from car traffic.

Please take steps to reopen the path for the benefit of all.

Thanks,
David, Deb & Audrey Aaron
