

Letter of Intended Operations & Business Plan

The business located on the ground floor of 200 Monterey Ave suite 2 in Capitola.

It will continue to operate as a casual restaurant serving Mexican food called Mijo's Taqueria. Beer and wine will be available for on-site consumption with meals. The primary use is for family-friendly food items, with beer and wine as a complementary but more secondary offering to our already established business model.

Hours of operation will not expand dramatically and will still maintain our lunch and quick service dinner model.

We hope to continue to provide a thoughtful food establishment while increasing our offerings to our visitors and residents of our beloved Capitola.

Thank you,

Anthony Guajardo
Owner- Mijo's Taqueria
