Describe your qualifications and interest in serving on this Board/Commission/Committee: 1

I am extremely interested in serving on this commission because I am an avid community member, surfer, environmentalist, and fisherman. I am also actively involved in organizations like youth for Environmental Action, and the surfrider foundation. With the commission role, I plan to further my community into a more environmentally healthy ecosystem.

Please Note: Appointment to this position may require you to file a conflict of interest disclosure statement with the City Clerk. This information is a public record and these statements are available to the public on request.
